RECOMMENDED DECISION	Outline Application - Approval recommended subject to a Section 106 agreement

Recommendation:

That Planning Permission be Granted subject to the completion of a S106 agreement and the following:

RECOMMENDED CONDITIONS / REASONS

- 1 Application for approval of the reserved matters shall be made to the local planning authority not later than three years from the date of this permission.

Reason: To comply with Section 92 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 Details of the layout, scale, appearance and landscaping, including boundary treatments (hereinafter called "the reserved matters") shall be submitted to

and approved in writing by the local planning authority before any development begins and the development shall be carried out as approved.

Reason: To comply with Article 3 of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended)

- 3 The development hereby permitted shall begin not later than two years from the date of approval of the last of the reserved matters to be approved.

Reason: To comply with Section 92 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

- 4 **No development shall take place until details of the existing and final ground, ridge and slab levels of the buildings hereby approved have been submitted to and approved in writing by the Local Planning Authority. Such details shall include sections through both the site and the adjoining properties. Thereafter the site shall be developed in accordance with the approved details.**

Reason: To ensure that an acceptable relationship results between the new development and adjacent buildings and public areas in accordance with policy DM3 of the Core Strategy and Development Management Policies (2009).

- 5 **No development shall take place until details of hard and soft landscaping (including details of robust planting schemes at the southern and northern boundaries, boundary treatments and public amenity open space, Local Equipped Areas of Play and Local Areas of Play) together with a timetable for its implementation have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out as approved and in accordance with the approved timetable.**

Reason: To ensure that the appearance of the development would be acceptable in accordance with Policy DM3 of the Core Strategy and Development Management Policies 2009

- 6 **No development shall take place shall take place until a Landscape Maintenance and Management Plan for a period of ten years from the date of its delivery in accordance with Condition 5 has been submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of the management body, who will be responsible for delivering the approved landscape maintenance and management plan. The landscaping shall be maintained and managed in accordance with the approved plan following its delivery in accordance with Condition 5.**

Reason: To ensure that the appearance of the site would be acceptable in accordance with Policy DM3 of the Core Strategy and Development Management Policies 2009

- 7 **No development shall take place until a detailed surface water drainage scheme for the site including a management and maintenance plan has been submitted to and approved in writing by the Local Planning Authority. The scheme design shall be based on sustainable drainage principles in accordance with the Council's Sustainable Drainage SPD and an assessment of the hydrological and hydrogeological context of the development. The scheme shall be implemented in accordance with the approved details and shall be managed and maintained thereafter in accordance with the agreed management and maintenance plan.**

Reason: To ensure the approved system will function to a satisfactory minimum standard of operation and maintenance.

- 8 **No development shall take place until a foul water strategy has been submitted to and approved in writing by the Local Planning Authority. Unless otherwise agreed in writing the works shall be carried out in accordance with the approved details prior to the occupation of any dwelling subsequently approved.**

Reason: To prevent the increased risk of flooding, to improve and protect water quality, and improve habitat and amenity in accordance with policy DM2 of the Core Strategy and Development Management Policies 2009.

- 9 **No development shall take place (including ground works or site clearance) until a method statement for the creation of new wildlife features such as hibernacula and the erection of bird/bat boxes in buildings/structures and tree, hedgerow, shrub and wildflower planting/establishment has been submitted to and approved in writing by the local planning authority. The content of the method statement shall include the:**

- a) purpose and objectives for the proposed works;**
- b) detailed design(s) and/or working method(s) necessary to achieve stated objectives (including, where relevant, type and source of materials to be used);**
- c) extent and location of proposed works shown on appropriate scale maps and plans;**
- d) timetable for implementation, demonstrating that works are aligned with the proposed phasing of construction;**
- e) persons responsible for implementing the works;**

The works shall be carried out strictly in accordance with the approved details and shall be retained in that manner thereafter

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the National Planning Policy Framework.

- 10 **The details required by Condition 2 of this permission shall include a scheme of measures to mitigate the impacts of climate change and deliver sustainable and resource efficient development including opportunities to**

meet higher water efficiency standards and building design, layout and orientation, natural features and landscaping to maximise natural ventilation, cooling and solar gain. The scheme shall then be carried out in full in accordance with the approved scheme.

Reason: To ensure the development is resilient and adaptable to the impacts arising from climate change in accordance with the NPPF.

- 11 **No development shall take place until a written scheme of archaeological investigation; that includes post excavation analysis and publication, has been submitted to and approved in writing by the Local Planning Authority. The development hereby approved shall only be implemented in full accordance with the approved archaeological scheme.”**

Reason: To record and advance understanding of the heritage assets with archaeological interest which will be unavoidably affected as a consequence of the development. This condition is pre-commencement as a failure to secure appropriate archaeological investigation in advance of development would be contrary to paragraph 141 of the *National Planning Policy Framework* that requires developers to record and advance of understanding of the significance of any heritage assets to be lost (wholly or in part) as a consequence of the development.

- 12 Any subsequent reserved matters application shall include the following;

- Estate roads designed and constructed to a standard appropriate for adoption as public highway.
- Pedestrian and cycle linkages to existing routes including to Harvey Close and Water Lane
- Vehicle parking and garaging in accordance with the councils standards applicable at the time of submission.
- Cycle parking and storage in accordance with the councils standards applicable at the time of submission.
- A Construction Traffic Management Plan detailing access arrangements for construction vehicles, routing of construction vehicles, on-site parking and loading and unloading areas.
- Materials Storage Areas.
- Wheel cleaning arrangements.
- A Residential Travel Plan.

Reason: To ensure that the development of the site is completed to provide adequate and appropriate highway arrangements at all times.

- 13 **Prior to commencement of development full engineering details of the access arrangement and off-site highway works shown for planning purposes on Wormald Burrows Partnership plan E3565/700/A dated 20/06/16 shall be submitted to and approved by the Local Planning Authority and no dwelling approved under any subsequent reserved matters application shall be brought into use until such time as the**

agreed works have been implemented.

Reason: To ensure the provision of appropriate access arrangements and associated off-site highway works in the interests of highway safety

- 14 The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers E3565/700/B, CBC/001.

Reason: To identify the approved plan/s and to avoid doubt.

INFORMATIVE NOTES TO APPLICANT

1. This permission relates only to that required under the Town & Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

2. AN1/. The applicant is advised that in order to comply with this permission it will be necessary for the developer of the site to enter into an agreement with Central Bedfordshire Council as Highway Authority under Section 278 of the Highways Act 1980 to ensure the satisfactory completion of the access and associated road improvements. Further details can be obtained from the Development Control Group, Development Management Division, Central Bedfordshire Council, Priory House, Monks Walk, Chicksands, Shefford SG17 5TQ.

AN2/. The applicant is advised that if it is the intention to request Central Bedfordshire Council as Local Highway Authority, to adopt the proposed highways within the site as maintainable at the public expense then details of the specification, layout and alignment, width and levels of the said highways together with all the necessary highway and drainage arrangements, including run off calculations shall be submitted to the Development Control Group, Development Management Division, Central Bedfordshire Council, Priory House, Monks Walk, Chicksands, Shefford SG17 5TQ . No development shall commence until the details have been approved in writing and an Agreement made under Section 38 of the Highways Act 1980 is in place.

AN3/. The applicant is advised that no highway surface water drainage system designed as part of a new development, will be allowed to enter any existing highway surface water drainage system without the applicant providing evidence that the existing system has sufficient capacity to account for any highway run off generated by that development. Existing highway surface water drainage systems may be improved at the developers expense to account for extra surface water generated. Any improvements must be approved by the Development Control Group, Development Management Division, Central Bedfordshire Council, Priory House, Monks Walk, Chicksands, Shefford SG17 5TQ

3. This permission is subject to a legal obligation under Section 106 of the Town & Country Planning Act 1990.

Statement required by the Town and Country Planning (Development Management Procedure) (England) Order 2015 - Part 6, Article 35

The Council acted pro-actively through positive engagement with the applicant during the determination process which led to improvements to the scheme. The Council has therefore acted pro-actively to secure a sustainable form of development in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
