INFORMATIVE NOTES TO APPLICANT

1. In accordance with Article 35 (1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the reason for any condition above relates to the Policies as referred to in the National Planning Policy Framework (NPPF) and the Core Strategy for North Central Bedfordshire.
2. This permission relates only to that required under the Town & Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
3. **Will a new extension affect your Council Tax Charge?**
The rate of Council Tax you pay depends on which valuation band your home is placed in. This is determined by the market value of your home as at 1 April 1991.
Your property's Council Tax band may change if the property is extended. The Council Tax band will only change when a relevant transaction takes place. For example, if you sell your property after extending it, the new owner may have to pay a higher band of Council Tax.
If however you add an annexe to your property, the Valuation Office Agency may decide that the annexe should be banded separately for Council Tax. If this happens, you will have to start paying Council Tax for the annexe as soon as it is completed. If the annexe is occupied by a relative of the residents of the main dwelling, it may qualify for a Council Tax discount or exemption. Contact the Council for advice on **0300 300 8306**.
