

COUNCIL MEETING – 14 April 2016

Recommendation to Council from the Licensing Committee meeting held on 9 March 2016

/15/22 Review of Code of Good Conduct for Licensed drivers

The Licensing Committee considered the report from Marcel Coiffait, Director of Community Services seeking the adoption of a Code of Good Conduct for licensed drivers for Central Bedfordshire Council.

The code, which was the subject of a full consultation, details the conduct required of drivers licensed by Central Bedfordshire Council. The Council does not currently have a Code of Good Conduct for licensed drivers and the committee were asked to consider adopting one which would afford the Council an opportunity to remind the trade of their responsibilities to their customers, residents and other licence holders. Adoption of the code was moved and approved by the committee subject to the removal of the word “Good” in the title.

RECOMMENDED to Council

- 1. that the Code of Conduct for licensed drivers be adopted; and**
- 2. that the Head of Public Protection & Interim Head of Passenger Transport, in consultation with the Executive Member for Community Services, be given delegated authority to undertake any necessary minor amendments to the code prior to publication.**
