Introduction

Welcome to Central Bedfordshire Council's Annual Parking Report. The aim of this report is to look at the work undertaken by the Parking Enforcement Team during 2015 / 2016. This year's report will be made available at www.centralbedfordshire.gov.uk and at publicly accessible Council offices and libraries.

We hope that this report will highlight that the Parking Enforcement Team is not solely about issuing Parking Tickets (or Penalty Charge Notice as they are officially known), but is about having a positive influence on road safety and traffic flow, and ensuring the fair use of the available parking spaces.

Whilst parking (and in particular parking enforcement) can be an emotive and contentious issue, the key objective of the Parking Enforcement Team is to maintain the balance of needs of all road users, including pedestrians. This results in the parking needs of some being restricted for the benefit of others e.g. the provision of dedicated Disabled Bays.

Central Bedfordshire Council is committed to providing a Parking Service that operates in a fair, consistent and transparent manner. It is also committed to providing a service that is for the overall benefit of the residents, visitors and businesses of Central Bedfordshire, ensuring that the area is one that is safe and accessible for all road users.

1. Civil Parking Enforcement in Central Bedfordshire

Aims and Objectives

Unfortunately, the demand for parking in Central Bedfordshire exceeds the supply of available On-street parking places. This is particularly exacerbated by the layout of the historic road network, geographical constraints and the higher than average level of car ownership due to the rural nature of Central Bedfordshire. The Authority's challenge is to manage the needs of all users and in some cases this does result in the needs of some being restricted for the benefit of others.

The Traffic Management Act 2004 places a duty on Central Bedfordshire Council to manage the road network and to ensure the expeditious movement of all traffic. Civil Parking Enforcement is one tool used by the Authority to fulfil this duty. In addition, Civil Parking Enforcement is a tool that aims to support local, regional and national transport plans and achieve the following outcomes:

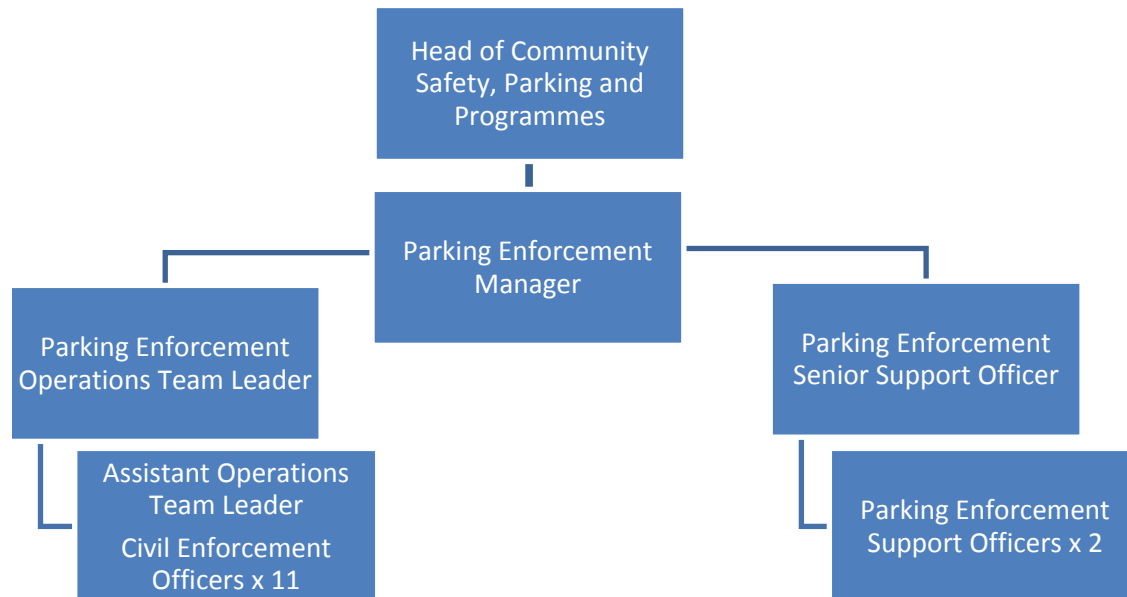

1. Improve road safety,
2. Reduce congestion,
3. Improve access to public transport,
4. Improve access to services for all road users, including pedestrians, and
5. Support the local economy by ensuring a turnover of the free time limited parking spaces available.

The overall aim of the Authority is to provide a Parking Service that operates in a fair, consistent and transparent manner, for the overall benefit of the residents, visitors and businesses of Central Bedfordshire.

No one will appreciate being issued with a Penalty Charge Notice; however the Authority will continue to work towards improving the general community support for the Parking Enforcement Team and its activities. The team is an important public facing service and is a significant contributor to the overall view of residents, businesses and visitors of the Authority.

2. The Parking Enforcement Team

The Parking Enforcement Team is made up of 17 Full Time Officers and the team is responsible for On-street and Off-street parking enforcement and Notice Processing across the whole of Central Bedfordshire.

The team is structured to be flexible and mobile, and is operational 6 days a week.

Civil Enforcement Officers (CEOs) are deployed across Central Bedfordshire with patrols concentrated in those locations where parking related issues (road safety, congestion or accessibility to shops and services) are most prevalent.

In addition, the team also responds to specific concerns / requests received for parking enforcement, from members of the public, Local Councillors, Town and Parish Councils and other agencies such as the Police, Fire and Ambulance services.

All CEOs have been trained to the standards set out in Department for Transport guidance, including completing a City and Guilds or WAMITAB qualification in Civil Parking Enforcement or equivalent and a range of generic training (such as Personal Safety). All CEOs carry identification, wear recognisable uniform, and are issued with the appropriate equipment to carry out their duties, in accordance with statutory guidelines.

The main aims of the CEOs are to promote the free flow of traffic and encourage compliance with parking restrictions. This compliance plays an active role in maintaining road safety for drivers as well as pedestrians. Whilst part of their role the CEOs will issue Penalty Charge Notices (PCNs) to vehicles parked in contravention of parking restrictions On and Off street, the majority of their time is actually spent observing and advising members of the public. This advice includes local information in addition to parking related matters.

CEOs follow the procedure for issuing PCNs as set out in Department for Transport Operating Guidance for Local Authorities as well as being compliant with the Traffic Management Act 2004.

3. Off-Street parking facilities

In addition to the On-street parking capacity in Central Bedfordshire the Authority operates 14 pay and display car parks, including a Multi Storey Car Park in Leighton Buzzard. 4 permit holder only car parks and a further 4 free public car parks. Whilst the Authority does not have a statutory duty to provide Off-street parking, car parks play a significant role in the management of traffic within towns and villages, contributing to reductions in congestion and the expeditious movement of all traffic.

The Authority provides a combination of long and short stay Off-street parking spaces to balance the needs of commuters and all day visitors, and those only making a short trip to a town or village. Parking charges are variable and designed to reflect both the nature of the car park and its location. Variable charging is a tool that enables the Authority to encourage use of particular car parks, especially by commuters and all day visitors. Daily and weekly tickets are available in addition to annual and 6 month business permits for specified long stay car parks.

For more information on parking charges and permits in Council car parks please visit: www.centralbedfordshire.gov.uk

4. Education

Central Bedfordshire Council's Parking Enforcement Team is one that is supported by enforcement and not led by enforcement. Contrary to popular belief, a significant proportion of Central Bedfordshire's Civil Enforcement Officers' time is spent engaging with motorists and advising them where not to park, and consequently, how to avoid being issued with a Penalty Charge Notice.

It is hoped that this education work will help to make drivers more aware of the parking restrictions that are in place in Central Bedfordshire, the reasons why these restrictions are in place and how they can avoid being issued with a Penalty Charge Notice.

5. Penalty Charge Notices

Types of Penalty Charge Notices

Penalty Charge Notices are issued where a Civil Enforcement Officer has reason to believe that a parking contravention has occurred.

There are two bands that Penalty Charge Notices fall into - higher (£70) and lower (£50). There are two bands because it is acknowledged that some contraventions are more serious than others. Generally a contravention will be classed as a higher band if you should not have been parked there in the first instance e.g. parked in a dedicated disabled bay without displaying a valid blue badge or parked on yellow lines when they are in force. Lower rate contraventions are generally those where you are initially permitted to have parked there but have then not complied with the parking restriction e.g. parked longer than you were allowed in a limited waiting bay or car park.

If the recipient of a Penalty Charge Notice pays within 14 days, then they can take advantage of a 50% discount which reduces the Penalty Charge to £35 for higher band and £25 for lower band contraventions.

Some Penalty Charge Notices are issued instantly e.g. where a vehicle is parked where waiting and loading is not allowed, whilst others have an observation period before a Penalty Charge Notice is issued e.g. vehicles parked in a car park without displaying a valid pay and display ticket or permit. During 2015/16 Penalty Charge Notices issued were either affixed to a vehicle or handed to the person who appeared to be in charge of the vehicle.

The following pages provide information in relation to the number of Penalty Charge Notices issued during 2015/16, where they were issued and why they were issued.

Penalty Charge Notices issued by contravention type

The top three contraventions in 2015/16 in Central Bedfordshire were:

1. Parked in a restricted street during prescribed hours.
2. Parked in a car park without clearly displaying a valid pay and display ticket or voucher or parking clock.
3. Parked for longer than permitted.

6. Payment of Penalty Charge Notices

There are two bands that Penalty Charge Notices fall into - higher (£70) and lower (£50). If the recipient of a Penalty Charge Notice pays within 14 days, then they can take advantage of a 50% discount which reduces the Penalty Charge to £35 for higher band and £25 for lower band contraventions. Penalty Charge Notice may be paid by telephone, online or by post.

If the recipient or registered keeper fails to pay or appeal within 28 days of the service of the Notice to Owner of the registered keeper, a Charge Certificate is issued. A Charge Certificate increases the penalty by 50% to £105 for higher band and £75 for lower band contraventions. Further failure to pay will result in the Authority seeking to register the debt with the Traffic Enforcement Centre (TEC) and an additional £7 being applied to the outstanding penalty amount.

Of the total Penalty Charge Notices cancelled 80 were as a result of Civil Enforcement Officer error. There are a range of reasons for cancellation of the remaining Penalty Charge Notices which include Council decision, vehicle breaking down, mitigating circumstances, provision of evidence to support cancellation, foreign vehicle driver, ticket machine fault, valid permits not displayed and evidence provided. The percentage of Penalty Charge Notices cancelled will be used as a benchmark for future performance by the Authority.

These statistics relate to Penalty Charge Notices issued in 2015/2016. Payments recorded on the Authority's Parking Account for 2015/2016 include only those payments received up to the 31/03/2016. Any payments for Penalty Charge Notices issued in 2015/2016 but paid after the 31/03/2016 will appear in the Authority's 2016/2017 Parking Account.

7. Notice to Owner

3428 Notice to Owners were issued by the Authority, for unpaid Penalty Charge Notices issued in 2015/16, 28 days after issue of the Penalty Charge Notice. As of 31/3/16 Penalty Charge Notices issued in 2015/16 were cancelled or written off. Examples of some of the reasons why these were cancelled are shown below:

1. **Informal Challenge,**
2. **Notification of mitigating circumstances falling outside the normal appeal process,**
3. **Civil Enforcement Officer Error identified during quality assurance checks.**
4. **Processing Errors.**

8. Appeals to the Adjudicator

If an appellant is unhappy with the response of the Council to their formal representations, they have the opportunity to appeal to the independent adjudication service - the Traffic Penalty Tribunal. This appeal must be made within 28 days of the rejection letter sent by the Council. Only where there are significant mitigating circumstances, will an appeal application that has been submitted late be considered by the Tribunal.

An appeal will be allowed by an Adjudicator if, after considering the evidence of the appellant and the Council, they determine that the contravention either did not occur or that the Penalty Charge Notice was not issued correctly.

During 2015/16, **6** of the Authority's Penalty Charge Notices were appealed to the Traffic Penalty Tribunal. To date **4** cases have been refused by an Adjudicator, withdrawn by the appellant or a Consent Order has been granted (appellant and Council agree for payment of the Penalty Charge at discounted rate before hearing). In addition, to date, **2** Central Bedfordshire appeals have been allowed by an Adjudicator.

The Authority aims to ensure that it only rejects appeals to Penalty Charge Notices, where it considers that the notice has been issued appropriately and there are no grounds for cancellation - ultimately, only valid Penalty Charge Notices can be upheld by an independent Adjudicator.

The Authority will continue to strive to ensure that the consideration of appeals is conducted appropriately, fairly and consistently. These figures will be used as a benchmark for the future performance of the Civil Parking Enforcement scheme operated in Central Bedfordshire.

9. What happens if a Penalty Charge Notice or result of an Appeal is ignored

In fairness to those that park legally and those that pay their Penalty Charge Notices, the Authority looks to recover unpaid Penalty Charge Notices.

If a Penalty Charge Notice is not paid the Authority will apply to the Traffic Enforcement Centre (TEC) for a warrant to enable the collection of the unpaid debt to the Authority. These warrants are then issued to bailiffs to recover the outstanding debt.

Further information about the TEC can be found at:

<http://www.justice.gov.uk/courts/northhampton-bulk-centre/traffic-enforcement-centre>

It is important that a Penalty Charge Notice, and any paperwork sent in relation to it, is not ignored, as it will not go away. What started out as a £25 (lower) or £35 (higher) penalty (if paid within 14 days) will increase to £82 (lower) or £112 (higher) debt to the Authority. This debt can escalate quickly to in excess of £500 with recovery fees imposed by a bailiff, particularly if an individual also chooses to ignore the communications of the bailiff.

In 2015/2016 the Authority had **449** cases at bailiff stage where **274** of these cases relate to on street offences and **175** of these cases relate to off Street offences. Out of these **449** cases **165** cases have been paid whilst **284** still remain open and outstanding.

10. Financial information

The income and expenditure of local authorities in connection with their On-street charging and their On-street and Off-street enforcement activities are governed by Section 55 (as amended) of the Road Traffic Regulation Act 1984. Central Bedfordshire Council financial report covers income and expenditure in relation to On-street and Off-street parking income and income from enforcement activities.

The Civil Parking Enforcement budget is mainly comprised of income from Penalty Charge Notices, car park income and income from resident, employee and business permits (both on street and off street parking) and dispensations, less any expenditure on enforcement, administration, parking enforcement infrastructure and debt recovery.

On-Street and Off-Street Parking Income by Source	2015/16 Budget	2015/16 Actuals
Car Park Income		-£1,049,174
Penalty Charge Notices		-£250,749
Permits		-£55,122
On Street		-£15,384
Total	-£1,312,289	-£1,370,430

Civil Parking Enforcement Expenditure	2015/16 Budget	2015/16 Actuals
Employee Costs		£435,063
Buildings Costs		£88,222
Vehicle Costs		£11,522
Contracts and Repairs		£304,793
Refunds		-£3,206
Supplies and Services (Other)		£11,988
Total	£1,034,567	£848,382

Parking Account Summary	2015/16 Budget	2015/16 Actuals
Income	-£1,312,289	-£1,370,430
Expenditure*	£1,034,567	£848,382
Balance	-£277,722	-£522,048

*NB Expenditure costs do not include corporate overheads

The 2015/16 expenditure budget variance of £186,185 was the result of staff vacancies, superannuation and an in year refund of car park site rates following rateable re-evaluations.

The 2015/16 income budget variance of -£58,141 will have been impacted by the increase in car parking fees and charges introduced in February 2016 in addition to increased car park usage and reduced compliance leading to Penalty Charge Notices being issued.

Department of Transport Operational Guidance to Local Authorities for Parking Policy and Enforcement clearly sets out that Local Authorities should never use parking charges just to raise revenue or as a local tax. However, where the demand for parking is high, the delivery of transport objectives with realistic demand management prices for parking may result in surplus income. In such cases local authorities must ensure that any on-street revenue not used for enforcement is used for legitimate purposes only and that its main use is to improve, by whatever means, transport provision in the area so that road users benefit.

11. Where to find further information and how to contact us

You are likely to encounter Civil Enforcement Officers out and about while they are doing their work across Central Bedfordshire. As part of their duties they will be happy to advise and respond to any queries or comments you may have.

However, any matters relating to paying or appealing a ticket should be dealt with as advised on the rear of the Penalty Charge Notice and any subsequent correspondence sent to you.

Appendix B

Overview

If an individual receives a Penalty Charge Notice and they feel it should not have been issued, they may submit an appeal. The appeals process is designed to be accessible to all and does not require legal counsel.

All appeals must be submitted in writing to Imperial Civil Enforcement Solutions (ICES) at <https://parking.centralbedfordshire.gov.uk/live-3sc-user/> or by writing to Central Bedfordshire Council, PO Box 597, Northampton, NN4 7XN who administer the processing of correspondence in relation to Penalty Charge Notices. Details of how to appeal can be found on the back of the Penalty Charge Notice.

There are three stages of appeal that are open to the recipient of a Penalty Charge Notice:

1. Informal Challenge -

These must be made within 28 days of the service of the Penalty Charge Notice.

2. Formal Representation -

If the Penalty Charge is not paid within 28 days a Notice to Owner is sent out to the Registered Keeper of the vehicle. The Notice to Owner sets out the grounds under which a Formal Representation can be made. If the recipient wishes to make a Formal Representation they must complete the Notice to Owner and return it within 28 days of receipt of the Notice to Owner documentation.

3. Appeal to the Traffic Penalty Tribunal -

If a Formal Representation is rejected by the Council, included with the notice of rejection of the representation, will be details on how, if the appellant is unhappy with the decision of the Council, they can appeal to the Independent Adjudication service - the Traffic Penalty Tribunal. In order for the Traffic Penalty Tribunal to consider an appeal, it must be made directly to them within 28 days of the service of the rejection of the Formal Representation by the Council.

Each appeal received to a Penalty Charge Notice is considered on its own merits. The Authority will consider carefully the details provided by the appellant but if it considers that Penalty Charge Notice was issued correctly, and there are no other grounds for cancellation an appeal will be rejected. Sometimes the Authority will ask for further evidence to be supplied by an appellant e.g. when it is claimed a vehicle has broken down, and following receipt of the further evidence it will reconsider the appeal.

Where it is determined that a Penalty Charge Notice has been issued incorrectly then the Authority will cancel the Penalty Charge Notice. In addition, cancellation may also result where there are significant mitigating circumstances which are supported by evidence e.g. unexpected medical emergency or unexpected vehicle breakdown (this does not include running out of petrol).

13. Glossary
