

Dear resident,

Central Bedfordshire Council's Sustainable Communities Overview and Scrutiny Committee have commissioned a task force to review issues regarding car parking outside of schools and any problems residents may be experiencing within your area.

In light of this we would like to obtain your views and would very much appreciate your input into the attached **resident survey**, in order to help us determine the content of our recommendations.

At this stage the task force are gathering information rather than proposing immediate remedies but we hope the information will assist in providing long term solutions for new schools and potential expansions on existing school sites in particular.

Your Ward Members, Cllr Ken Matthews, Cllr Sue Clark and Cllr Robert Morris are fully aware of this evidence gathering exercise and would be more than happy to answer any questions you may have for them directly. They can be contacted at [ken.matthews@centralbedfordshire.gov.uk](mailto:ken.matthews@centralbedfordshire.gov.uk)
