

School Parking Questionnaire

Central Bedfordshire Council's Sustainable Communities Overview and Scrutiny Committee have recently commissioned a Member and Officer Task Force to undertake a review of parking outside of schools in order to understand and tackle problems schools, parents and the wider community may experience.

At this stage we are undertaking an evidence gathering exercise and to support the collation of data we're asking residents to provide information, using the framework below. Please could we ask that the survey is completed and the details submitted back to the Council no later than 14th December 2016, after which we will analyse the detail and use it to help shape recommendations going forward.

Our current focus is on shaping future policy for school expansions and new builds which we hope will minimise future problems residents may currently experience.
