

This petition calls for a re allocation of Section 106 funds to Potton

Petition summary and background	<p>S106 monies are funds given to a community by a developer in order to help improve local facilities. When a development of 90 houses in Potton was recently approved, £42,000 of S106 for sport was allocated to a sporting facility in Biggleswade! Despite Potton Town Council, the developer and ward councillor Adam Zerny calling for this money to be allocated to Potton, CBC have refused. As Potton has a project in place for a similar facility, which also requires funding it seems unbelievable that money is given to a neighbouring town. We are appealing to Central Bedfordshire Council on behalf of the local community to re-allocate the funds to Potton.</p>
