Report of: Cllr Mike Blair, Chairman of the Audit Committee (Mike.Blair@centralbedfordshire.gov.uk)

Responsible Director(s): Charles Warboys, Director of Resources, Charles.Warboys@centralbedfordshire.gov.uk

Purpose of this report

This report to Council summarises the activities of the Audit Committee during the 2017/18 financial year, as required under the Audit Committee's Terms of Reference.

RECOMMENDATIONS

The Council is asked to:

1. note the work activity of the Audit Committee.

Overview and Scrutiny Comments/Recommendations

1. This report is not scheduled to be considered by Overview and Scrutiny, as the Constitution requires a report direct to full Council.

Background

- Central Bedfordshire Council has within its Constitution a requirement to have in place an Audit Committee. Paragraph 4.2.2 of the Audit Committee's Terms of Reference requires an annual report to be made by the Chairman of the Audit Committee to Council on the Committee's activities. This report covers the Committee's activity during 2017/18.
- Throughout the year the Committee has continued to make a positive contribution to the Council's overall governance and control arrangements, including risk management.

Membership and Meetings

- 4. There are seven members of the Audit Committee. During 2017/18, the Committee was chaired by Councillor Mike Blair, and Councillor David Lawrence served as vice chairman.
- 5. The Audit Committee normally meets formally on a quarterly basis. This report summarises the activity of the four meetings held during the period June 2017 to April 2018 inclusive.

Internal Audit Activity

- 6. The Committee has continued to monitor the work of Internal Audit. During the year, the Audit Committee:
 - Considered the Internal Audit Annual Report 2016/17, prepared by the Head of Internal Audit and Risk, which presented an opinion on the effectiveness of Central Bedfordshire Council's internal control environment and summarised the internal audit activity upon which that opinion was based. The report concluded that, in general, the key controls in place continued to be adequate and effective such that reasonable assurance could be placed on the operation of the Council's function.
 - Received regular internal audit progress reports setting out progress against the delivery of the Internal Audit Plan. The progress reports have included Internal Audit opinions given for individual reviews.
 - Received regular reports monitoring the progress made against the implementation of high priority recommendations arising from Internal Audits.
 - Approved the updated 2018-19 Internal Audit Plan at the April 2018 meeting.

Activity relating to Financial Reporting

- 7. During the year, the Audit Committee:
 - Received a presentation on the draft 2016/17 Statement of Accounts at the June 2017 meeting to which all council members were invited.
 - Considered the 2016/17 final Statement of Accounts at the September 2017 meeting, and the Letter of Representation, following the external audit. These were subsequently approved and signed by the Chair of the Audit Committee.

 Considered, at the January 2018 meeting, a report by the Chief Finance Officer which summarised key changes in the Statement of Accounts for 2017/18.

External Audit Issues

- 8. The Committee has monitored the work of the Council's external auditors. During the year, the Audit Committee considered:
 - the Audit Fee Letter from Ernst and Young, setting out the audit and certification fees for 2017/18
 - the audit planning report for 2017/18
 - the Certification of Claims and Returns Annual Report 2016/17, and
 - regular external audit progress reports.
- 9. Ernst and Young's Annual Results Report was also received by the Committee in September 2017. This report summarised the key findings from their audit, and provided the Committee the opportunity to consider the issues arising. The report indicated that the accounts would receive an unqualified opinion and this was confirmed in the Annual Audit Letter presented to the Committee in January 2018. This also confirmed that the Council had put in place proper arrangements to secure value for money in its use of resources.
- 10. Following the Council's decision to opt in to the procurement arrangements of the Sector Led Body (PSAA) for the appointment of external audit services for the 18/19 year, the Audit Committee has continued to receive regular progress updates on that appointment process. As a result of this process Ernst & Young have been reappointed as the Council's external auditors.

Revised Local Code of Corporate Governance

11. At the June 2017 meeting, considered and approved an updated Local Code of Corporate Governance as advised by CIPFA's report on Delivering Good Governance in Local Government.

Annual Governance Statement

12. The Committee considered the draft Annual Governance Statement for 2016/17 at its meeting in June, and approved it as a basis for submission to the Leader and Chief Executive to be formally signed. This statement is intended to demonstrate how the Council has achieved the principles contained in the Code of Corporate Governance (Local Code). The final Annual Governance Statement was presented to the Committee alongside the 2016/17 Statement of Accounts in September 2017.

Risk Management Activity

13. The Committee has received and considered regular risk management summary reports during the year, enabling it to discharge its responsibilities in this area.

Anti Fraud and Corruption Activity

- 14. Considered an update on the work of the Corporate Fraud Team at the June 2017 meeting which included some examples of several recent investigations to illustrate the work undertaken.
- 15. At its April 2018 meeting, the Committee considered an update on the operation of the Risk Based Verification (RBV) Policy for Housing Benefit and Local Council Tax Support Assessments. The 2018/19 Policy was approved.
- 16. Also at the April 2018 meeting, the Committee considered and approved a revised Counter Fraud & Corruption Strategy. The Strategy maintains the Council's 'zero tolerance' approach and complies with recognised good practice in this area.

Pension Fund Arrangements

17. At its June 2017 meeting, the Committee received an update on recent developments in respect of the Local Government Pension Scheme, which provided an update on the governance arrangements and outlined the Fund's position. A further update was presented to the January 2018 Committee. These updates provided details of the performance of the fund along with governance and regulatory changes.

Impact of New Developments and Legislation

18. The Committee has been updated throughout the year by Finance and ICT staff, LGSS Law and both the internal and external auditors on other matters relevant to the role of the Committee. These matters include economic and public-sector issues, accounting, auditing and regulatory matters such as the economic forecast, the accelerated deadlines regarding the closure and auditing of financial statements for 2017/18 and the new requirements of the General Data Protection Regulations (GDPR). Where appropriate, the Committee has sought responses on key issues for the Council identified from these updates. During another year of significant change in matters requiring scrutiny by the Audit Committee, such guidance has proved invaluable, and the respective officers and the external auditors are to be thanked for their various contributions.

Council Priorities

19. An effective Audit Committee is an integral part of the internal control and governance arrangements of the Council. As such it supports all the Council's priorities.
