

TO EACH MEMBER OF THE CENTRAL BEDFORDSHIRE COUNCIL

16 April 2010

Dear Councillor

CENTRAL BEDFORDSHIRE COUNCIL - THURSDAY 22 APRIL 2010

Further to the Agenda and papers for the above meeting, previously circulated, please find attached the following additional information:-

11. Recommendation from the Regulation Committee

Regulation Committee are recommending to Council that the Orders for Prohibiting the consumption of alcohol in designated public places for Arlesey and Shefford are approved, subject to there being no adverse responses from the public, to the public consultation.

Two letters have been received during the public consultation. Each letter made adverse comments but both had already been made during the initial round of consultation. The initial letters had been considered by the panel members and further evidence had been gathered from the Police. The position therefore is that no new adverse responses have been received to the public consultation and on that basis the Committee's recommendation is before the Council for approval.
