**PETITION FOR DOUBLE YELLOW LINES
AT THE JUNCTION OF BOROUGH ROAD AND HOWARD PLACE**

We, the undersigned, being resident/users of the Borough Road/Howard Place, request that double yellow lines be place at this junction.

We feel that this is required as this is a dangerous junction with vehicles parking far too close the corners, which severely restricts access and visibility for road users and pedestrians alike. This parking means that any vehicles turning out of Howard Place do so on the wrong side of the road with obstructed views of oncoming traffic, as well as vehicles turning right into Howard Place being unable to see vehicles coming out onto Borough Road. Also pedestrians have to cross between these parked vehicles, again there is obstructed views for pedestrians of traffic and vice versa.

Please see attached sketches and photographs.
