## EXECUTIVE – 19 AUGUST 2014

### PROPOSED CONSIDERATION OF ITEM NOT INCLUDED ON THE FORWARD PLAN

**NOTICE** is hereby given that the following item, which was not included on the Forward Plan published on 18 July 2014, may be considered by the Executive at its meeting on **Tuesday, 19 August 2014:-**

#### **Future Residual Waste Disposal**

*(The report proposes that the Executive approve the proposed approach to securing residual waste treatment and disposal services and the provision of delegated authority to the Director of Community Services in consultation with the Executive Member for Community Services to enter into a contract for residual waste treatment and disposal.)*

*(Report of Cllr Brian Spurr, Executive Member for Community Services)  
(Contact Officer: Tracey Harris, Head of Waste Services Tel: 0300 300 4646)*

This item is urgent as a decision by the Executive is required to enable the Director of Community Services to progress with an opportunity to participate in a framework agreement for the disposal of residual waste that is being offered by a neighbouring Authority. Delaying until the next Executive meeting, which takes place on 14 October 2014, would subsequently delay progress on this matter by two months, increasing the risk of capacity becoming unavailable and limiting the ability of the Council to seek alternative arrangements should this option be undeliverable.

The Executive may consider it appropriate at the meeting to exclude the press and public to enable consideration of financial and business affairs of the Council (Exempt Appendices A & B) and that this information must be considered at this meeting.

A report on this subject will be admitted to the agenda under the provisions of Rule No. 16 of the Access to Information Procedure Rules.
