ITEM.	DECISION	REASON FOR DECISION/ALTERNATIVES CONSIDERED	ALTERNATIVE OPTIONS CONSIDERED AND REJECTED
ARCHITECTURAL HERITAGE FUND	To make the payment detailed in recognition that this now discharges Central Bedfordshire Council from its liability as a guarantor for a loan from Architectural Heritage Fund (AHF) to Clophill Heritage Trust (CHT). The amount to be funded from the Community Resilience earmarked reserve.	This eliminates the Council's potential exposure to pay £150,000 in the event of a default in the loan repayment to AHF by CHT.	The Council could have refused to contribute towards the legal costs but in this event the original liability would have remained.
