CORPORATE IMPLICATIONS

Council Priorities:

- Promote health and wellbeing and protecting the vulnerable - the draft Statement of Policy for Sex Establishments incorporating a strict locality criteria clearly sets out the need to protect the vulnerable

Financial:

1. The Council is responsible for licensing the these types of establishments ; there may be a reduction in potential income from any applications that do not meet the locality criteria

Legal:

2. Any decision of the licensing committee to grant or refuse a licence for a sex establishment can be challenged through the Magistrates Court, but by agreeing/adopting a policy that clearly sets out the criteria applicants must meet, the risk of challenge is reduced.

Risk Management:

3. All members are aware that any decision which is unreasonable or unlawful could be open to challenge resulting in loss of image, reputation and potential financial penalty to the Council.
4. The report details the options available to the committee in setting the Councils Statement of Policy for Sex Establishments

Staffing (including Trades Unions):

5. Not Applicable.

Equalities/Human Rights:

6. Central Bedfordshire Council has a statutory duty to promote equality of opportunity, eliminate unlawful discrimination, harassment and victimisation and foster good relations in respect of nine protected characteristics; age disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation

Public Health

7. The health and wellbeing of residents and protection from harm underpins this policy

Community Safety:

8. The Committee is reminded of their duty under the Crime and Disorder Act 1998 to consider the crime and disorder implications of their decisions and the authority's responsibility to co-operate in the reduction of crime and disorder in Central Bedfordshire.
It is important that the late night economy is managed to ensure that the effects of alcohol and anti social behaviour do not have a detrimental impact on the amenity of an area.

Sustainability:

9. Not applicable.

Procurement:

10. Not applicable.

RECOMMENDATION(S):

1. To undertake a public consultation on the draft Statement of Policy for Sex Establishments
2. To use the draft Statement of Policy attached at Appendix A as the basis for the public consultation.

Summary

11. In order to assist applicants and in response to public consultation relating to the location of these types of premises the policy sets out a strict criteria on the location of the premises in relation to other specified premises or land usage, and that conditions will be attached to any licence granted.

Background

12. Central Bedfordshire Council has adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended) with regard to Sex Cinemas, Sex Shops and for Sexual Entertainment Venues. It is, therefore, a requirement that each of these types of premises be licensed within Central Bedfordshire Council's area. The Council publishes a statement of policy in relation to sex establishments this sets out the Council's approach to the licensing of Sex Establishments and is regularly reviewed

13. There are currently three licensed sex establishments in Central Bedfordshire:
- One (1) Sexual Entertainment Venue situated in the Ampthill area;
 - One (1) licensed Sex Shop in the Dunstable area; and
 - One (1) licensed Sex Shop in the Sandy/Biggleswade area.
 - There was a fourth venue located in Leighton Buzzard its licence is due for renewal but we haven't yet received the application
14. Adoption of schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended) with regard to Sex Cinemas, Sex Shops and for Sexual Entertainment Venues. also allows the Council to set terms, conditions and fee for the grant, renewal, transfer and variation of such licences, and set the number of licences that may be issued in the area.
15. Aside from stating that an applicant for a licence is not a fit and proper person to hold a licence, the inappropriate location of an establishment is the only other reason on which an application for this type of licence can be refused.
In considering its statement of licensing policy it is appropriate that the Council takes into account views of local residents and to this effect, initial consultation by phone survey has been undertaken to inform the Licensing Committee and to set the parameters for consultation.
16. By clearly setting out in its statement of licensing policy the strict criteria to be applied to locality the Council is representing the views of its residents and being transparent in its dealings with those wishing to apply for a licence for a sex establishment

Consultation

17. In order to inform the review of the policy residents' opinions regarding the licensing of sex establishments in Central Bedfordshire were sought by a telephone survey of 1123 residents undertaken in March 2013.

18. The key findings from the survey are in the table below :

	Opposed %	In favour %	Not Sure %
Granting of Sex Establishment Licences in local area	63	27	10
Granting of Sex Establishment Licences in Central Bedfordshire	47	42	11
Should there be a nil policy in Central Bedfordshire	39	55	6
Sex Establishments should not be located specific areas and land use types	8	86	6
Should conditions be attached to any licences issued	3	85	12

19. It is proposed that consultation on this draft statement, subject to agreement by Licensing Committee is undertaken over the statutory twelve weeks period, from 10th June 2013 to 31st August 2013 and that this includes: internal stakeholders; Executive, Licensing Committee, Ward Members, CMT and Licensing staff and external stakeholders, Town and Parish Councils, MP's, Equality Forum, licence holders, residents, Responsible Authorities, neighbouring local authorities, local businesses and schools.

It is proposed that a range of methods will be used these will include: face to face briefings, briefing notes, online, social media, press releases and use of other Council publications all requesting feedback for consideration.

Other Relevant Information

20. As indicated in paragraph 13, there are currently three licensed premises in Central Bedfordshire and there have not been any new applications for a Sex Establishment Licence in Central Bedfordshire since July 2012. The current licensed premises are:

- A sexual entertainment venue located in Ampthill had its licence issued in July 2012. The venue does not currently open as a Sexual Entertainment Venue, it is only operating as a bar /nightclub.
- A Sex shop located by the A1 at Tempsford has been operating since 2005 and its licence is due for renewal in April 2014.
- A sex shop located in Dunstable has been operating since September 2002 its licence is due for renewal in October 2013.

A sexual entertainment venue has been in operation in Leighton Buzzard since June 2009 but we haven't yet received a renewal application and the renewal date is passed

Analysis of Consultation

- .21. Consultation to date, which has helped inform the draft policy, has been by way of a telephone survey of 1123 residents undertaken in March 2013. Analysis of the responses has shown:
- Although the majority support a nil policy this is not an overwhelming figure
 - The support for not granting these types of licences is particularly less representative when the 'not sure' figures are taken into account. The majority only arises when the question of locality of the establishment is discussed.
 - There is overwhelming support for sex establishments not to be located near certain types of premises and land usages.
 - There is overwhelming support for strict conditions to be attached to any licence granted.
22. In order to respond to the overwhelming majority of responses/wishes from residents, an approach is that licences could be granted where strict locality criteria are met and conditions are attached to the licence.
23. It is therefore proposed that the Licensing Committee consults on the policy as set out at Appendix A, by the means set out at paragraph 19 for the statutory twelve week period commencing on Monday 10th June.

Conclusion

24. The draft policy has been drawn up to reflect the responses to the location of Sex Establishments in Central Bedfordshire. Although there is support for a nil policy this is not outweighed by those who believe that we should licence these establishments if they are located in the right areas and subject to conditions relating to their operation etc.
25. The draft statement at appendix A sets out the location criteria and conditions to be attached and should be used as the draft for the public consultation. The responses to the consultation will be analysed and reported to the Committee to allow the Committee to make an informed decision when adopting a new Statement of Licensing Policy in relation to Sex Establishments.
26. The Committee could consider changes to the draft policy but in doing so should take into account the feedback to date and the rationale for the proposed policy as set out.
27. The sub committee must also have regard to
- The Local Government (Miscellaneous Provisions) Act 1982
 - Any supporting regulations - i.e. s27 of the Policing and Crime Act 2009
 - Guidance issued pursuant to section 182 of the Licensing Act 2003

FOREWORD

Overview of the Central Bedfordshire area

Central Bedfordshire Council covers an area with a population of approximately 240,000 and is situated 40 miles north of London.

In the South of the area, Dunstable, Houghton Regis and Leighton Buzzard are the main urban centres. To the north of the area, which is mainly rural in character, the main towns of Ampthill and Biggleswade are surrounded by numerous smaller towns and villages, each with their own individual characteristics.

Premises in the area are numerous and varied, including nightclubs, theatres, a cinema, leisure centres, clubs and public houses. Whilst several open air type events provide for the larger type of regulated entertainment.

The Central Bedfordshire area currently has four premises that require licensing as sex establishments. These are;

- Two (2) Sexual Entertainment Venues situated in the Leighton Buzzard and Ampthill areas;
- One (1) licensed Sex Shop in the Dunstable area; and
- One (1) licensed Sex Shop in the Sandy/Biggleswade area.

Statement of Licensing Policy

Central Bedfordshire Council will monitor the continuing expansion of the leisure industry, which contributes greatly to the local economy in terms of jobs and revenue, in order to maintain a balance between those commercial interests and the interest of preserving local heritage, as well as protecting the interests of local residents

This 'Statement of Licensing Policy' sets out the policies of the Council and will generally apply when making decisions on applications. It also sets out information about the application process, what is expected of applicants and how people can make objections about applications. It sets out the type of controls that are available to the council when decisions are made about licence applications and explains what action can be taken if complaints are received

1. Introduction

- 1.1 For the district of Central Bedfordshire, Central Bedfordshire Council is the appropriate authority for the licensing of Sex Establishments

This document sets out Central Bedfordshire Council's policy (the 'Policy') regarding the regulation of sex establishments and the procedure relating to applications for sex establishment licences.

- 1.2 This document relates to applications for sex establishment licences covering:

- sex entertainment venues
- sex cinemas
- sex shops

as set out in the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009

- ..1.3 Section 2 of the Local Government (Miscellaneous Provisions) Act 1982 (as amended) ('the Act') provides that local authorities may resolve to adopt the provisions of Schedule 3 for its area. This has the effect of requiring premises operating as sex establishments in that authority's area to be licensed. Adoption of schedule 3 also allows the Council to set terms, conditions and fees for the grant, renewal, transfer and variation of such licences, and set the number of licences that may be issued in the area, including nil.

- 1.4 Central Bedfordshire Council has adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended) with regard to Sex Cinemas, Sex Shops and for Sexual Entertainment Venues. It is, therefore, a requirement that each of these types of premises be licensed within Central Bedfordshire Council's area

- 1.5 The Council is mindful of possible concerns of the local community and that there can be conflict between applicants and objectors. The Policy will guide the Council when considering applications for licences in balancing the conflicting needs of commercial interests, patrons, employees, residents and communities

- 1.6 The Council has considered the character of its wards and has determined strict locality criteria to be applied to the sighting of sex establishments.

- 1.7 This Statement of Licensing Policy sets out

- the Council's requirements for premises to be licensed as 'sex establishments' within the meaning of the Act
- The process for making an application , and

- The process the Council will follow in considering and determining an application for a sex establishment
- The standard conditions adopted by Central Bedfordshire Council are attached as an appendix to this policy

Definitions of the different types of 'sex establishment' can be found at Appendix A to this policy.

- 1.8 The advice and guidance contained in the appendices attached to this Statement of Licensing Policy is intended only to assist readers in consulting the Policy and should not be interpreted as legal advice or as constituent of Central Bedfordshire Council's Statement of Licensing Policy
- 1.9 Readers are strongly advised to seek their own legal advice if they are unsure of the requirements of the Act or any of the schedules contained in the Act

2 Consultation on the Policy

- 2.1 Central Bedfordshire Council originally consulted on this policy between 18th October 2010 and 9th January 2011 and it was approved in its original form by the Regulation Committee on 13th April 2011. Consultation on this policy took place between **June and ** August 2013
- 2.2 In developing this policy, the legal requirements of the Act and duties under the following provisions were taken into account;
- (a) section 17 of the Crime and Disorder Act 1998 to take all reasonable steps to reduce crime and disorder within Central Bedfordshire
- (b) The Regulators' Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) not to impede economic progress by the regulations we set out and to particularly consider the impact of regulations on small businesses; and
- (c) The provision of Services Regulations 2009 to ensure requirements are;
- (i) non-discriminatory
 - (ii) justified by an overriding reason relating to public interest
 - (iii) proportionate to that public interest objective
 - (iv) clear and unambiguous
 - (v) objective
 - (vi) made public in advance, and
 - (vii) transparent and accessible

The Council does not take a moral stand in adopting this policy and recognises that Parliament has made it lawful to operate a sex establishment, and that such businesses are a legitimate part of the retail and leisure industries. It is the role of the Licensing Authority to administer the licensing regime in accordance with the law.

2.3 Consultation on the policy took place with

2.4 The council gave due weight to the responses received and made appropriate amendments to the Policy. In determining what weight to give particular representations the following factors were taken into account:

- Who made the representation (what was their expertise or interest)
- What the motivation may be for their views
- How many other people expressed the same or similar views.
- How far representations related to matters the Council should include in its Policy

2.5 The full list of consultees, comments made and their consideration by the Council is available from the Licensing Team licensing@centralbedfordshire.gov.uk

2.6 Once adopted, the council may review the Policy from time to time as it deems appropriate

3. Definitions

3.1 A 'sex establishment' is defined under the Act as a 'sex shop', a 'sex cinema' or a 'Sexual Entertainment Venue'. Full definitions of the different types of sex establishment can be found at Appendix A to this Policy.

3.2 The definition of a sex establishment includes any premise, vehicle, vessel or stall used as such but does not apply to the sale, supply or demonstration of articles which are manufactured for use primarily for the purposes of birth control or primarily relate to birth control

3.3 Relevant Locality

This is the locality where premises are situated or where the vehicle, vessel or stall is going to be used. The locality and the area that this covers is a matter for the local authority to decide.

4 The Application

Specific mandatory grounds for refusal of a licence are set out in the Act

A licence cannot be granted:

- a) to anyone under 18 years of age
- b) to someone who has held a licence that was revoked in the last 12 months (from the date of revocation)
- c) to someone who has been refused a new or renewal of licence within the last 12 months (from the date of making the application.
- d) to an individual who is not resident in the United Kingdom or has not been resident for six months prior to the making of an application
- e) to a company not incorporated in the United Kingdom

The Council has determined that the following principles will apply

The Council has set a limit on the distance a sex establishment may be sited in relation to sensitive areas or premises. Having regard to its analysis the Council has determined that the appropriate distances to be maintained is 500m from those types of premises set out below.

- Schools, nurseries or any other premises substantially used by or for children under 16 years of age
- Areas frequented by children and families
- Residential areas
- Parks or other recreational areas used by or for children under 16 years of age
- Areas frequented by vulnerable adults
- Areas associated with family leisure and retail
- Community buildings
- Churches or other places of religious worship
- Buildings or locations where leisure activities are undertaken
- Sites of historical or heritage value

Given the characteristics of Central Bedfordshire this will result in a nil policy in many areas, those areas where it is likely a licence will be granted are industrial areas or adjacent to main transient routes through the area.

There is no right of appeal against a decision based on this element of the policy.

While each case will be considered on its own merits, the Council does intend that the policy will be strictly applied and that exceptions will be granted only in the most exceptional cases. For those purposes, the fact that an applicant is of good character and will manage the proposed premises well will not be considered an exceptional circumstance

4.1 An application for the grant, renewal, transfer or variation of a licence must be made in writing to the council in accordance with the requirements shown in Appendix B

4.2 In keeping with Council policy regarding the introduction of e-government the Council consents to applications being submitted electronically. The address at which applications and notices will be accepted is:-

4.3 by post or personal service to Licensing Team, Central Bedfordshire Council, Watling House, High Street North, Dunstable, LU6 1LF; or

4.4 on-line via the council's website at www.centralbedfordshire.gov.uk

4.5 A template application form can be found at Appendix C.

4.6 A template notice for public advertisement is attached at Appendix D.

The Council will have regard to all relevant considerations, including and representations received and comments made by:

- Ward Councillors
- Police
- Fire Brigade
- Development Management
- Pollution Reduction
- Health & Safety
- Licensing Authority
- Children's Services
- Any representation made by the applicant
- Interested parties (local residents /businesses)

- 4.7 Applications in respect of premises must state the full address of the premises. Applications in respect of a vehicle, vessel or stall must state where it is to be used as a sex establishment
- 4.8 The council would normally expect that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned
- 4.9 The council will inform its residents and other interested bodies of applications for the grant, renewal, transfer and variation of a licence through the maintenance of a public register of all applications received. This information will be available on the council's website in the form of a register and details will be communicated to all ward councillors.
- 4.10 All applicants will be required to advertise their application for grant, renewal, transfer or variation of a licence in the local vicinity where the premises, vehicle, vessel or stall will carry on the business of a 'sex establishment'
- 4.11 For the purposes of this Policy only 'vicinity' will generally mean an area within 500 metres of the premises, vehicle, vessel or stall.

5 Advice and Guidance

- 5.1 Where an applicant considers that mediation and liaison may be likely or probable, it is recommended that the applicant discusses the proposal with the Council's Licensing Team and those from whom they think that objections are likely prior to submitting their application.
- 5.2 The Council will seek to liaise with applicants and/or mediate between applicants and others who may make objections, to achieve a satisfactory outcome for all involved, wherever possible and where resources permit.

6. Fees

- 6.1 The application process involves paying an application fee, including costs for inspections of the premises and processing the application. This also includes the fee to meet the costs of holding a hearing before a committee in the case of a contested application, which will be refunded where either an application is

withdrawn before the need for a hearing arises, or where a hearing is not required.

- 6.2 The application fee is reviewed annually against any rise in Council costs of administering the regime, and the current fee is set out at Appendix E.
- 6.3 In addition, holders of a licence for a sex establishment will be required to pay an annual fee, which covers costs such as the ongoing requirement to inspect the premises.

7. Grant, renewal or transfer of licences

- 7.1 The Council may grant to any applicant and renew a licence for the use of any premises as a 'sex establishment' in the manner set out at Appendix C.
- 7.2 A licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.
- 7.3 The Council may, if it thinks fit, transfer a licence to any other person upon application by that person.
- 7.4 Where an application for renewal or transfer of a licence is made before the date of expiry of the existing licence, the licence shall remain in force until such time as the application has been determined.
- 7.5 Where applications for licences have been granted, the Council will send the licence to applicants by post.
- 7.6 Licences for sex establishments shall last for a period of one (1) year.

8 Variation of licences

- 8.1 The holder of a licence may apply to the Council to vary the terms, conditions or restrictions on or subject to which the licence is held.

9 Objections

- 9.1 Objections may be made to an application by any person.

- 9.2 An objection must be in writing and state the grounds on which the objection is made.
- 9.3 Objections may only be made within the period of 28 days following the date on which the application was given to the Council.
- 9.4 The Council will not consider any objection that does not contain the name and address of the person making it.
- 9.5 Where objections are made the Council will provide copies to the applicant. The Council will not divulge the identity of the objector/s to the applicant without their permission to do so.
- 9.6 Where objections are made and not withdrawn, a hearing before a Licensing Panel will normally be held within 20 working days of the end of the period in which objections might be made, unless all parties agree a hearing is unnecessary.
- 9.7 Where no objections are made, the Council will grant the licence subject to the terms and conditions shown at Appendix F.
- 9.8 An objection on moral grounds is not an objection that the Council can properly take into consideration when determining the application. Where an objection is received and is solely on moral grounds, the objector will be advised that the objection cannot be taken into account and asked to consider whether they wish to submit a relevant objection.

10 Determining applications

- 10.1 When considering applications, the Council will have regard to:
- the Local Government (Miscellaneous Provisions) Act 1982
 - any supporting regulations;
 - this Statement of Licensing Policy.
- 10.2 This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

- 10.3 When determining applications, the Council will take account of any comments made by the Chief Officer of Police and any objections made.
- 10.4 In all cases, the Council shall consider each application on its own merit, and in accordance with the evidence presented to and held by it.
- 10.5 Where the application requires determination by Members of the Council, i.e. where objections have been submitted and not resolved, the matter will be determined by a Licensing Panel.
- 10.6. Licensing Panel shall mean the Licensing Sub-Committee, the Licensing Committee or Full Council, as the context requires.
- 10.7 Any person who has submitted an objection will be invited to speak at the Licensing Panel hearing and must confirm whether they wish to do so.

11 Conditions

- 11.1 The Council recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to each individual premise.
- 11.2 No condition will be imposed that cannot be shown to be necessary.
- 11.3 A non-exhaustive list of the conditions that may be attached to a licence are shown in Appendix F. It is open to the Council to impose all of the conditions listed therein.

12. Refusal of licences

- 12.1 Except where the Council are prohibited from granting, renewing, varying or transferring a licence, the Council will not refuse a licence without first: -
- 12.2 Notifying the applicant or holder of the licence in writing of the reasons;
- 12.3 Giving the applicant or holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.
- 12.4 The circumstances in which the Council must or may refuse a licence are shown in Appendix G

13 Revocation of licences

- 13.1 The Council may revoke a licence: -
- on any of the grounds specified in paragraph 1 of Appendix G of this policy;
 - on either of the grounds specified in paragraph 3 (a) and (b) of Appendix G of this policy.
 - The Council will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.

14. Cancellation of licences

- 14.1 The licence-holder may surrender the licence at any time and may request the Council in writing to cancel the licence.
- 14.2 In the event of the death of a licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked.
- 14.3 Where the Council are satisfied that it is necessary for the purpose of winding up the estate of the deceased licence-holder, it may extend or further extend the period in which the licence remains in force.

15 Rights of Appeal Following Determination of Application

- 15.1 The following persons may, at any time before the expiration of the period of 21 days beginning with the date on which the individual is notified of the Council's decision, appeal to a magistrates' court:
- an applicant for the grant, renewal or transfer of a licence whose application was refused;
 - an applicant for the variation of the terms, conditions or restrictions on or subject to which any such licence is held whose application is refused;

- a holder of any such licence who is aggrieved by any term, condition or restriction on or subject to which the licence is held; or
- a holder of any such licence whose licence is revoked,

16. Complaints

- 16.1 Where possible and appropriate the Council will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

17. Enforcement

- 17.1 The Council is responsible for the administration and enforcement of the licensing regime and will have regard to the Department of Business Enterprise & Regulatory Reform's Regulators' Compliance Code and the Better Regulation Commission's five Principles of Good Regulation. The Council will carry out its regulatory functions in a fair, open and consistent manner.

18. Council's Commitment

- 18.1 the Council is committed to:
- be proportionate – to only intervene when necessary and remedies will be appropriate to the risk posed;
 - be accountable – to justify decisions, be subject to public scrutiny and allow opportunities to resolve differences before enforcement action is taken, unless immediate action is needed;
 - be consistent – to implement rules and standards fairly;
 - be transparent – to be open and to provide clear explanations of what is needed, by when and the rights of appeal.
 - target its regulatory action at cases in which action is needed.

19. After Granting the Licence

- 19.1 The Council recognises the interests of both citizens and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.

- 19.2 However, proportionate but firm action will be taken against those who commit serious offences or break the law or breach the conditions of the licence.
