Appendix 'A'

Appendix 'B'

Introduction

- 1.1. The Licensing Act 2003 has placed local authorities at the centre of the decision making process for regulating the sale and supply of alcohol, provision of regulated entertainment and late night refreshment.
- 1.2. This document and the procedures detailed herein are based upon the guidance issued by the Local Government Regulation Service and with regards to the provisions of:
 - the Licensing Act 2003;
 - the Guidance issued by the Secretary of State for Culture, Media and Sport on 7 July 2004 under section 182 of the Licensing Act 2003; and
 - The Licensing Act 2003 (Hearings) Regulations 2005 (as amended).
- 1.3. This guidance is intended for all concerned in any way whatsoever with a hearing before a licensing panel (Licensing Sub-committee, the Licensing Committee or Council, as may be the case) in relation to the determination of applications under the Licensing Act 2003.

2. General Principles

- 2.1. All Members sitting on the determination of an application will always:
 - promote the right of all parties to have a fair hearing;
 - only have regard to such of the four licensing objectives that are subject to a relevant representation, namely:
 - the prevention of crime and disorder;
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm;
 - have regard to the Licensing Act 2003 and any relevant secondary legislation;
 - have regard to the Council's Statement of Licensing Policy;
 - have regard to the Guidance issued by the Secretary of State for Culture, Media and Sport under section 182 of the Licensing Act 2003;
 - treat each application on its own merits; and
 - undertake its decision-making responsibilities honestly and fairly, in an open, transparent and accountable way.

PRE-HEARING

3. Licensing Panels

- 3.1. Generally, hearings will take place before a Licensing Sub-committee consisting of three Members of the Licensing Committee, although, to avoid unnecessary adjournments, a fourth Member may attend as a substitute Member.
- 3.2. If, for any reason whatsoever, it is not possible to have a matter determined by a Licensing Sub-Committee, the matter would be heard by the Licensing Committee. A Licensing Committee must consist of between ten and fifteen Members and at least one half of those Members must attend for a hearing to proceed before the Licensing Committee.
- 3.3. In the highly unlikely event of it not being possible, for any reason whatsoever, to have a matter determined by either a Licensing Sub-committee or the Licensing Committee, the matter would be heard by Council.

4. Timescales for Convening a Hearing

- 4.1. Most hearings under the Licensing Act 2003 must normally take place within 20 working days from the last date in which representations can be made. There are exceptions to this rule.
- 4.2. Exceptions:
 - 4.2.1. A hearing must take place within 10 working days of the Authority receiving notification of a review of the premises following a closure order;
 - 4.2.2. A hearing must take place within 7 working days from the day after the end of the period within which the police can object to a temporary event notice;
 - 4.2.3. A hearing must take place within 5 working days beginning the day after the end of the last day for the police to object to an interim authority notice.
- 4.3. Hearings may be dispensed with where all relevant persons agree a hearing is unnecessary.

5. Notice of Hearing

- 5.1. Generally 10 clear days notice will be given of a hearing. There are exceptions to this rule.
- 5.2. Exceptions:
 - 5.2.1. 5 days notice will be given of a hearing for a review of a premises licence following a closure order;
 - 5.2.2. 2 days notice will be given of a hearing following police objection to an interim authority notice;
 - 5.2.3. 2 days notice will be given of a hearing following police objection to temporary events notice.

6. Persons to be Notified of a Hearing

- 6.1. The following persons must be notified of a hearing:
 - 6.1.1. Any applicant for any licence, provisional statement or review;
 - 6.1.2. Premises user who submitted a temporary event notice;
 - 6.1.3. Any person who has made relevant representations;
 - 6.1.4. Any Responsible Authority; and
 - 6.1.5. Where an application is made for a review, the holder of a premises licence or club premises certificate.

7. Contents of Notice

- 7.1. The notice of a hearing must contain:
 - 7.1.1. The date, time and place of the hearing;
 - 7.1.2. The procedure to be followed at the hearing;
 - 7.1.3. The right of a party to attend and to be assisted or represented by any person whether legally qualified or not;
 - 7.1.4. Any points upon which the authority considers that it will want clarification from a party at the hearing;
 - 7.1.5. The right of the party to provide additional information to provide any clarification sought by the Authority;
 - 7.1.6. The consequences of failing to attend the hearing or not being represented at the hearing;
 - 7.1.7. Any information the Licensing Authority has received in support or opposition of the application.

8. Hearings to be open to the public

- 8.1. Hearings will generally be open to the public as the Licensing Authority is committed to taking decisions in an honest, accountable and transparent way, but on occasions a licensing panel may find it necessary to exclude a party or parties, the public and press from all or any part of a hearing.
- 8.2. A panel will only pass an exclusion resolution where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in public. Such decisions will be made on an individual basis.
- 8.3. The panel's deliberations, which do not form part of the hearing, will be conducted in private. The announcement of the panel's decision is part of the hearing and will generally be open to the public, subject to any exclusion resolution.

9. Failure to attend the hearing

- 9.1. No party is obliged to attend a hearing, although the Licensing Authority encourages all parties to attend hearings to make their application or representation, as may be the case.
- 9.2. Regardless of whether a party attends a hearing or not, the matter will generally be heard and determined by the licensing panel (the Council, the Licensing Committee or a Licensing Sub-committee). At the hearing, the panel will consider any application, representation or notice made by an absent party in the same way as it will of any application, representation or notice made by a party that attends the hearing.
- 9.3. If, however, the hearing is adjourned to a specified date, all parties will forthwith be notified of the date, time and place to which the hearing has been adjourned.

10. Disruptive behaviour

- 10.1. Any person who disrupts a hearing by the Council, the Licensing Committee or a Licensing Sub-committee of a matter under the Licensing Act 2003 may be required to leave the hearing.
- 10.2. It is for the panel hearing the matter to decide whether such person will be permitted to return to the hearing, but should they be allowed to do so, this may be on such conditions as the panel may specify.
- 10.3. If a disruptive person is a person who has a right to address the panel, then that person may, before the end of the hearing (i.e. before Stage 25 of the following procedure), put in writing any information they would have been entitled to give orally, had they not been required to leave the hearing.

The Four Licensing Objectives

To promote the following Licensing Objectives:

- 1. Prevention of crime and disorder**
- 2. Public safety**
- 3. Prevention of public nuisance**
- 4. Protection of children from harm**

This page is intentionally left blank

4. Personal licences

- 4.1 This chapter provides advice about the framework for personal licences. It also contains guidance for decision-making on applications by those managing community premises (church and village halls etc.) to remove the usual mandatory conditions that relate to personal licences and the requirement for a designated premises supervisor (DPS).

Requirements for a personal licence

- 4.2 The sale and supply of alcohol, because of its impact on the wider community and on crime and anti-social behaviour, carries with it greater responsibility than the provision of regulated entertainment and late night refreshment. This is why sales of alcohol may not be made under a premises licence unless there is a DPS in respect of the premises (who must hold a personal licence); and every sale must be made or authorised by a personal licence holder. The exception is only for those community premises which have successfully applied to remove the DPS requirement (see paragraph 4.34 below).
- 4.3 Any premises at which alcohol is sold or supplied where the requirement for a personal licence holder does apply may employ one or more such licence holders. For example, there may be one owner or senior manager and several junior managers holding a personal licence. However, the requirement that every sale of alcohol must at least be authorised by a personal licence holder does not mean that the licence holder has to attend or oversee each sale; it is sufficient that such sales are authorised. It should be noted that there is no requirement to have a DPS in relation to a Temporary Event Notice (TEN) or club premises certificate, and sales or supplies of alcohol authorised by a TEN or club premises certificate do not need to be authorised by a personal licence holder.

Who can apply?

- 4.4 In the case of an application for a personal licence under Part 6 of the 2003 Act, the requirements are that:
- the applicant must be aged 18 or over;
 - the applicant possesses a licensing qualification accredited by the Secretary of State (or one which is certified as if it is such a qualification or is considered equivalent) or is a

person as prescribed in the Licensing Act 2003 (Personal licences) Regulations 2005²).

- the applicant must not have forfeited a personal licence within five years of their application;
- the applicant has paid the appropriate fee to the licensing authority; and
- in a case in which the applicant has an unspent conviction for a relevant offence or a foreign offence, the police have not objected to the grant of the application on crime prevention grounds or the licensing authority has considered their objection but determined that the grant of the application will not undermine the crime prevention objective.

4.5 Any individual may apply for a personal licence whether or not they are currently employed or have business interests associated with the use of the licence. The issues which arise when the holder of a personal licence becomes associated with particular licensed premises and is specified as the DPS for those premises are dealt with at paragraphs 4.19 to 4.26 below. Licensing authorities may not therefore take these matters into account when considering an application for a personal licence.

4.6 Applicants for personal licences who are ordinarily resident in a licensing authority's area are required to make the application to that licensing authority. An applicant who is not ordinarily resident in a licensing authority's area (which may include persons living outside England and Wales), may apply for the grant of a personal licence to any licensing authority in England and Wales.

Criminal record

4.7 Regulations made under the 2003 Act require that, in order to substantiate whether or not an applicant has a conviction for an unspent relevant offence, an applicant for the grant or renewal of personal licence must include a criminal conviction certificate, a criminal record certificate or the results of a subject access search of the Police National Computer by the National Identification Service to the licensing authority.

4.8 The requirement for an individual to establish whether or not they have unspent convictions for a relevant offence or foreign offence applies whether or not the individual has been living for a length of time in a foreign jurisdiction. It does not follow that such individuals will not have recorded offences in this country. All applicants are also required

² Currently persons prescribed in regulations are: a member of the company of the Master, Wardens, Freemen and Commonalty of the Mystery of the Vintners of the City of London; a person operating under a licence granted by the University of Cambridge; or a person operating premises under a licence granted by the Board of the Green Cloth.

to make a clear statement as to whether or not they have been convicted outside England and Wales of a relevant offence or an equivalent foreign offence. This applies both to applicants ordinarily resident in England and Wales and any person from a foreign jurisdiction. Details of relevant offences as set out in the 2003 Act should be appended to application forms for the information of applicants, together with a clear warning that making any false statement is a criminal offence liable to prosecution.

- 4.9 Licensing authorities are required to notify the police when an applicant is found to have an unspent conviction for a relevant offence defined in the 2003 Act or for a foreign offence. The police have no involvement or locus in such applications until notified by the licensing authority.
- 4.10 Where an applicant has an unspent conviction for a relevant or foreign offence, and the police object to the application on crime prevention grounds, the applicant is entitled to a hearing before the licensing authority. If the police do not issue an objection notice and the application otherwise meets the requirements of the 2003 Act, the licensing authority must grant it.
- 4.11 A number of relevant offences never become spent. However, where an applicant is able to demonstrate that the offence in question took place so long ago and that the applicant no longer has a propensity to re-offend, a licensing authority may consider that it is appropriate to grant the application on the basis that doing so would not undermine the crime prevention objective.
- 4.12 If an application is refused, the applicant will be entitled to appeal against the decision they make. Similarly, if the application is granted despite a police objection notice, the chief officer of police is entitled to appeal against the licensing authority's determination. Licensing authorities are therefore expected to record in full the reasons for any decision which they make.

Issuing of personal licences by Welsh licensing authorities

- 4.13 All application forms in Wales should be bilingual. Proceedings before a court must be capable of being conducted in Welsh at the request of the applicant. There is a panel of Welsh speaking magistrates so this can be arranged if necessary. Licensing authorities in Wales should consider issuing personal licences in a bilingual format.

Licensing qualifications

- 4.14 Details of licensing qualifications accredited by the Secretary of State will be notified to licensing authorities and the details may be viewed on the GOV.UK website.

Relevant licensing authority

- 4.15 Personal licences are valid for ten years unless surrendered, suspended, revoked or declared forfeit by the courts. Once granted, the licensing authority which issued the licence remains the “relevant licensing authority” for it and its holder, even though the individual may move out of the area or take employment elsewhere. The personal licence itself will give details of the issuing licensing authority.

Changes in name or address

- 4.16 The holder of the licence is required by the 2003 Act to notify the licensing authority of any changes of name or address. These changes should be recorded by the licensing authority. The holder is also under a duty to notify any convictions for relevant offences to the licensing authority and the courts are similarly required to inform the licensing authority of such convictions, whether or not they have ordered the suspension or forfeiture of the licence. The holder must also notify the licensing authority of any conviction for a foreign offence. These measures ensure that a single record will be held of the holder’s history in terms of licensing matters.
- 4.17 The 2003 Act authorises the provision and receipt of such personal information to such agencies for the purposes of that Act.

Renewal

- 4.18 Renewal of the personal licence every ten years provides an opportunity to ensure that the arrangements ensuring that all convictions for relevant and foreign offences have been properly notified to the relevant licensing authority have been effective, and that all convictions have been properly endorsed upon the licence. It also provides an opportunity to ensure that the photograph of the holder on the personal licence is updated to aid identification.

Specification of new designated premises supervisors

- 4.19 Every premises licence that authorises the sale of alcohol must specify a DPS. This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder. The only exception is for community premises
