Appendix 'A'

Appendix 'B'

Introduction

- 1.1. The Licensing Act 2003 has placed local authorities at the centre of the decision making process for regulating the sale and supply of alcohol, provision of regulated entertainment and late night refreshment.
- 1.2. This document and the procedures detailed herein are based upon the guidance issued by the Local Government Regulation Service and with regards to the provisions of:
 - the Licensing Act 2003;
 - the Guidance issued by the Secretary of State for Culture, Media and Sport on 7 July 2004 under section 182 of the Licensing Act 2003; and
 - The Licensing Act 2003 (Hearings) Regulations 2005 (as amended).
- 1.3. This guidance is intended for all concerned in any way whatsoever with a hearing before a licensing panel (Licensing Sub-committee, the Licensing Committee or Council, as may be the case) in relation to the determination of applications under the Licensing Act 2003.

2. General Principles

- 2.1. All Members sitting on the determination of an application will always:
 - promote the right of all parties to have a fair hearing;
 - only have regard to such of the four licensing objectives that are subject to a relevant representation, namely:
 - the prevention of crime and disorder;
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm;
 - have regard to the Licensing Act 2003 and any relevant secondary legislation;
 - have regard to the Council's Statement of Licensing Policy;
 - have regard to the Guidance issued by the Secretary of State for Culture, Media and Sport under section 182 of the Licensing Act 2003;
 - treat each application on its own merits; and
 - undertake its decision-making responsibilities honestly and fairly, in an open, transparent and accountable way.

PRE-HEARING

3. Licensing Panels

- 3.1. Generally, hearings will take place before a Licensing Sub-committee consisting of three Members of the Licensing Committee, although, to avoid unnecessary adjournments, a fourth Member may attend as a substitute Member.
- 3.2. If, for any reason whatsoever, it is not possible to have a matter determined by a Licensing Sub-Committee, the matter would be heard by the Licensing Committee. A Licensing Committee must consist of between ten and fifteen Members and at least one half of those Members must attend for a hearing to proceed before the Licensing Committee.
- 3.3. In the highly unlikely event of it not being possible, for any reason whatsoever, to have a matter determined by either a Licensing Sub-committee or the Licensing Committee, the matter would be heard by Council.

4. Timescales for Convening a Hearing

- 4.1. Most hearings under the Licensing Act 2003 must normally take place within 20 working days from the last date in which representations can be made. There are exceptions to this rule.
- 4.2. Exceptions:
 - 4.2.1. A hearing must take place within 10 working days of the Authority receiving notification of a review of the premises following a closure order;
 - 4.2.2. A hearing must take place within 7 working days from the day after the end of the period within which the police can object to a temporary event notice;
 - 4.2.3. A hearing must take place within 5 working days beginning the day after the end of the last day for the police to object to an interim authority notice.
- 4.3. Hearings may be dispensed with where all relevant persons agree a hearing is unnecessary.

5. Notice of Hearing

- 5.1. Generally 10 clear days notice will be given of a hearing. There are exceptions to this rule.
- 5.2. Exceptions:
 - 5.2.1. 5 days notice will be given of a hearing for a review of a premises licence following a closure order;
 - 5.2.2. 2 days notice will be given of a hearing following police objection to an interim authority notice;
 - 5.2.3. 2 days notice will be given of a hearing following police objection to temporary events notice.

6. Persons to be Notified of a Hearing

- 6.1. The following persons must be notified of a hearing:
 - 6.1.1. Any applicant for any licence, provisional statement or review;
 - 6.1.2. Premises user who submitted a temporary event notice;
 - 6.1.3. Any person who has made relevant representations;
 - 6.1.4. Any Responsible Authority; and
 - 6.1.5. Where an application is made for a review, the holder of a premises licence or club premises certificate.

7. Contents of Notice

- 7.1. The notice of a hearing must contain:
 - 7.1.1. The date, time and place of the hearing;
 - 7.1.2. The procedure to be followed at the hearing;
 - 7.1.3. The right of a party to attend and to be assisted or represented by any person whether legally qualified or not;
 - 7.1.4. Any points upon which the authority considers that it will want clarification from a party at the hearing;
 - 7.1.5. The right of the party to provide additional information to provide any clarification sought by the Authority;
 - 7.1.6. The consequences of failing to attend the hearing or not being represented at the hearing;
 - 7.1.7. Any information the Licensing Authority has received in support or opposition of the application.

8. Hearings to be open to the public

- 8.1. Hearings will generally be open to the public as the Licensing Authority is committed to taking decisions in an honest, accountable and transparent way, but on occasions a licensing panel may find it necessary to exclude a party or parties, the public and press from all or any part of a hearing.
- 8.2. A panel will only pass an exclusion resolution where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in public. Such decisions will be made on an individual basis.
- 8.3. The panel's deliberations, which do not form part of the hearing, will be conducted in private. The announcement of the panel's decision is part of the hearing and will generally be open to the public, subject to any exclusion resolution.

9. Failure to attend the hearing

- 9.1. No party is obliged to attend a hearing, although the Licensing Authority encourages all parties to attend hearings to make their application or representation, as may be the case.
- 9.2. Regardless of whether a party attends a hearing or not, the matter will generally be heard and determined by the licensing panel (the Council, the Licensing Committee or a Licensing Sub-committee). At the hearing, the panel will consider any application, representation or notice made by an absent party in the same way as it will of any application, representation or notice made by a party that attends the hearing.
- 9.3. If, however, the hearing is adjourned to a specified date, all parties will forthwith be notified of the date, time and place to which the hearing has been adjourned.

10. Disruptive behaviour

- 10.1. Any person who disrupts a hearing by the Council, the Licensing Committee or a Licensing Sub-committee of a matter under the Licensing Act 2003 may be required to leave the hearing.
- 10.2. It is for the panel hearing the matter to decide whether such person will be permitted to return to the hearing, but should they be allowed to do so, this may be on such conditions as the panel may specify.
- 10.3. If a disruptive person is a person who has a right to address the panel, then that person may, before the end of the hearing (i.e. before Stage 25 of the following procedure), put in writing any information they would have been entitled to give orally, had they not been required to leave the hearing.

EXTRACT

Issuing of personal licences by Welsh licensing authorities

- 4.13 All application forms in Wales should be bilingual. Proceedings before a court must be capable of being conducted in Welsh at the request of the applicant. There is a panel of Welsh speaking magistrates so this can be arranged if necessary. Licensing authorities in Wales should consider issuing personal licences in a bilingual format.

Licensing qualifications

- 4.14 Details of licensing qualifications accredited by the Secretary of State will be notified to licensing authorities and the details may be viewed on the GOV.UK website.

Relevant licensing authority

- 4.15 Personal licences remain valid unless surrendered, suspended, revoked or declared forfeit by the courts. The requirement to renew a personal licence was removed from the Licensing Act 2003 by the Deregulation Act 2015. While personal licences issued before the 2015 Act have expiry dates, these licences will remain valid and such dates no longer have an effect. Once granted, the licensing authority which issued the licence remains the "relevant licensing authority" for it and its holder, even though the individual may move out of the area or take employment elsewhere. The personal licence itself will give details of the issuing licensing authority.

Changes in name or address

- 4.16 The holder of the licence is required by the 2003 Act to notify the licensing authority of any changes to a holder's name or address. These changes should be recorded by the licensing authority. The holder is also under a duty to notify any convictions for relevant offences to the licensing authority and the courts are similarly required to inform the licensing authority of such convictions, whether or not they have ordered the suspension or forfeiture of the licence. The holder must also notify the licensing authority of any conviction for a foreign offence. These measures ensure that a single record will be held of the holder's history in terms of licensing matters.
- 4.17 The 2003 Act authorises the provision and receipt of such personal information to such agencies for the purposes of that Act.

Specification of new designated premises supervisors

- 4.18 Every premises licence that authorises the sale of alcohol must specify a DPS. This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder. The only exception is for community premises which have successfully made an application to remove the usual mandatory conditions set out in the 2003 Act. Guidance on such applications is set out in paragraphs 4.33 to 4.46 of this Guidance.
- 4.19 The Government considers it essential that police officers, fire officers or officers of the licensing authority can identify immediately the DPS so that any problems can be dealt with swiftly. For this reason, the name of the DPS and contact details must be specified on the premises licence and this must be held at the premises and displayed in summary form. The DPS' personal address should not be included in the summary form in order to protect their privacy.
- 4.20 To specify a DPS, the premises licence holder should normally submit an application to

the licensing authority (which may include an application for immediate interim effect) with:

- a form of consent signed by the individual concerned to show that they consent to taking on this responsible role, and
- the relevant part (Part A) of the licence.

- 4.21 If they are applying in writing, they must also notify the police of the application. If the application is made electronically via GOV.UK or the licensing authority's own electronic facility, the licensing authority must notify the police no later than the first working day after the application is given.
- 4.22 The premises licence holder must notify the existing DPS (if there is one) of the application on the same day as the application is given to the licensing authority. This requirement applies regardless of whether the application was given by means of an electronic facility, or by some other means.
- 4.23 The general guidance in Chapter 8 on electronic applications applies in respect of new applications.
- 4.24 Only one DPS may be specified in a single premises licence, but a DPS may supervise two or more premises as long as the DPS is able to ensure that the licensing objectives are properly promoted and that each premises complies with the 2003 Act and conditions on the premises licence.
- 4.25 Where there are frequent changes of DPS, the premises licence holder may submit the form in advance specifying the date when the new individual will be in post and the change will take effect.

Police objections to new designated premises supervisors

- 4.26 The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns. For example, where a personal licence holder has been allowed by the courts to retain their licence despite convictions for selling alcohol to children (a relevant offence) and then transfers into premises known for underage drinking.
- 4.27 Where the police do object, the licensing authority must arrange for a hearing at which the issue can be considered and both parties can put forward their arguments. The 2003 Act provides that the applicant may apply for the individual to take up post as DPS immediately and, in such cases, the issue would be whether the individual should be removed from this post. The licensing authority considering the matter must restrict its consideration to the issue of crime and disorder and give comprehensive reasons for its decision. Either party would be entitled to appeal if their argument is rejected.
- 4.28 The portability of personal licences between premises is an important concept under the 2003 Act. It is expected that police objections would arise in only genuinely exceptional circumstances. If a licensing authority believes that the police are routinely objecting to the designation of new premises supervisors on grounds which are not exceptional, they should raise the matter with the chief officer of police as a matter of urgency.
