Reason for Recommendation: So that Members of the Social Care Health and Housing Overview & Scrutiny Committee can further refine its work programme for the municipal year 2009 - 2010.

Work Programme

1. As Members will be aware, the Committee received a presentation at its first meeting, which provided an overview of the work of the Social Care Health and Housing directorate and the key issues and challenging facing it.
2. At this meeting, and with the support of the officers in attendance, Members highlighted a number of priority items for inclusion in an initial Committee work programme, a summary of which is attached at Appendix A.
3. The Committee is now requested to consider further the work programme attached and amend and/or add to it if considered necessary. This will allow officers to plan accordingly but will not preclude further items being added during the course of the year if Members so wish and capacity exists.

Task Forces

4. In addition to further consideration of the work programme, Members will also need to consider how each item will be reviewed i.e. by the Committee itself (over one or a number of Committee meetings) or by establishing a Member Task Force to review an item in greater depth and report back its findings.

Conclusion

5. Members are requested to consider and agree the attached work programme, subject to any further amendments/additions they may wish to make and highlight those items within it where they wish to establish a Task Force to assist the Committee in its work.
