5. Procedures

a) Recruitment, Preparation, Assessment and Support to Prospective Adopters

Central Bedfordshire Council has detailed policies and procedures for the recruitment, counselling, preparation, assessment and approval of prospective adopters. The following is a summary of the recruitment, assessment and approval process in Central Bedfordshire and Bedford Borough.

- Call the free phone information line (0800 2182002) or 0300 300 8090.
- Prospective adopters contacting the service are provided with written information about adoption within one working day.
- If prospective adopters wish to find out more, they are invited to an Adoption Information Evening. These are held every seven/eight weeks.
- Following attendance at the Information Evening, prospective adopters wishing to pursue their enquiry will be offered a counselling interview with a social worker.
- The initial counselling interview allows the prospective adopter to further explore the adoption process whilst providing the adoption service with the opportunity to determine which applicants are most likely to meet the needs of children requiring adoptive placements.
- If the Adoption Team Manager decides that the enquiry should be progressed, prospective adopters are invited to make a formal application and to attend Adoption Preparation Training. An assessment is undertaken by a qualified adoption social worker.
- If it is not possible to accept an application at that time, the prospective adopter is advised of the reasons for this decision and possible action they may wish to take such as counselling in relation to their own life experiences or extending their knowledge of the needs of children for whom adoption is the plan. If appropriate, they are given information on other adoption agencies they could approach.
- In accordance with the Adoption Agencies Regulations 2005, Bedfordshire County Council carries out statutory checks and references in relation to all applicants. These include:
  1. Enhanced Criminal Record Bureau checks (CRB).
  2. Six written personal references of whom at least three are visited.
  3. Employment references.
  4. Local authority checks.
  5. Medical checks.
- In addition CRB checks are taken up on any other person in the prospective adopter’s household aged 16 and over.
- Once the assessment is completed it is presented to the Adoption Panel, which makes a recommendation to the Agency Decision Maker, who will make a decision in relation to the approval of applicants within seven working days of the Panel recommendation. All prospective adopters are supported by a social worker.
throughout their assessment and approval and throughout the process of matching and placement of a child.

- If the prospective adopters are not recommended for approval, they are able to submit further representation to the agency or apply to the Secretary of State for a review by an independent review panel. Information in relation to the independent review mechanism is available on the website: www.irm-adoption.org.uk.

- If a child has not been placed within 12 months of the adopter’s approval or if there is any significant change of circumstance the approval of the prospective adopter will be reviewed in a formal minuted meeting chaired by an Adoption Manager.

- Central Bedfordshire Council asks approved adopters to remain available for Bedfordshire children for three months after approval. If three months after approval no potential match with a child is identified, Central Bedfordshire Council will, with the adopter’s consent, refer their details to the National Adoption Register (www.adoptionregister.org.uk) and the consortium of five other neighbouring local authorities.

- Prior to any placement of a child both the adoptive family and the child’s support needs will be assessed. Support plans are agreed with the adopters as part of the placement report and plans are reviewed regularly up until the time an adoption order is made.

b) Adoption Support for adoptive parents and their children, adopted children and adults and birth relatives of adopted children and adults

People whose lives are affected by adoption who wish to enquire about adoption support and professionals enquiring about adoption support should contact the Central Bedfordshire Adoption Duty Desk on 0300 300 8090 or write to the Team Manager, Adoption and Permanence Support, Unit 5, Franklin Court, Priory Business Park, Bedford MK44 3JZ.

The Managers and Social Workers are all professionally qualified with commensurate social work experience. All staff have a Personal Development Review and have an identified training plan from which training will be provided on a bespoke basis or from Bedfordshire County Council's comprehensive Learning and Development Programme.

The professionally qualified Social Work staff are supported by the equivalent of 2.5 Social Work Assistants, a dedicated part-time administrator to the contact service, and an administrative team of three staff. The Adoption Team is further supported by the Recruitment and Retention section of the Adoption and Fostering Service which comprises a Recruitment and Retention Manager, a part-time Training Officer and 1.5 Co-ordinators.

7. **Adoption Panel**

The Adoption Regulations require the Adoption Panel to consider the case of every child, prospective adopter, and proposed adoption placement referred to it by the adoption agency for consideration, prior to making its recommendation as to:

- a) Whether a child should be placed for adoption.
- b) Whether a prospective adopter is suitable to adopt a child.
- c) Whether a child should be placed for adoption with a particular prospective adopter.
- d) Whether on the information so far available a prospective adopter is unlikely to be suitable to adopt a child.
- e) Whether a prospective adopter, following review, is no longer suitable to adopt a child.

The Adoption Panel in Bedfordshire meets every month but can meet more frequently if need be. The Panel is chaired by an independent person who has considerable professional experience of adoption. In addition, there are the Head of Service for Looked After Children in Bedford Borough Council, Head of Adoption and Fostering, Team Manager of Fostering, the Medical Advisor who is an experienced Paediatrician, a Councillor, an Educational Psychologist, two adoptive parents and an adopted adult. The Agency Advisor and a Panel Secretary are also in attendance but are not panel members. Decisions

The Assistant Director for Children’s Specialist Services makes decisions based on the Panel’s recommendations. These decisions are made within seven working days of the panel meeting.

8. Targets for 2009/2010

In the year to 31st March 2010 the Adoption Service aims to:

- Approve 16 new adoptive households, in accordance with the team plan.
- Ensure that 8% of children looked after for six months or more have their future legally secured through Adoption or Special Guardianship Order.
- Ensure that 100% of new adoptive applicants are considered at Panel within 8 months of application, unless there is a management decision to put the application on hold.
- Ensure that 100% of children are placed for adoption within 12 months of the best interest decision or authority to place.
- Ensure that 100% of birth relatives whose child has a plan for adoption are informed of independent birth family member support.

9. Quality Monitoring

The quality of the work of the Adoption Service is monitored at all levels through staff supervision. In addition the Agency Advisor provides scrutiny and feedback as does the Adoption Panel. Recruitment information is tracked through weekly management reports and management information is considered at fortnightly managers meetings. Regular reports are provided to the Corporate Parenting Panel. Feedback from service users is sought at regular intervals e.g. after Information Evenings, Preparation Training, Panel, Adoption Order.

In addition the Service is subject to inspection by Ofsted.

10. Complaints

The Adoption Service uses the Children’s Services Complaints Policy and Procedure, for dealing with and monitoring complaints by prospective adopters, adopters, birth relatives, staff and other parties with a relevant interest in the Adoption Service.

Complaints and their outcomes are recorded by the Customer Relations Department of Central Bedfordshire Council, but a central record is also kept within the Adoption Service. This is for statistical purposes and to enable the Service to respond and learn from complaints made. The Council is developing a database which will in future enable customers to make and track a complaint via the Council’s website.

Complaints by children are dealt with under the Children’s Services Children Act Complaints Procedure, which means a shorter time for responding to children’s complaints and the provision of independent advocacy for complainants.
The Complaints Procedure has several stages: Stage 1 applies to local resolution but if this is not achieved, there are two more stages. Information on these further stages is available from the Adoption Service or from Central Bedfordshire's Customer Relations Department.

11. Allegations in respect of children placed for adoption

Allegations in respect of children placed for adoption are dealt with in accordance with LSCB procedures and Central Bedfordshire procedures for managing allegations regarding such children.
