

Draft Vision for 'Transforming People's Lives'

Supporting everyone with social care needs in Central Bedfordshire by putting citizens at the centre of changes to give more choice & control

People will have the right to:

- Live free from abuse or neglect
- Take risks
- Meet personal aspirations
- Live independently

We will

- Ensure high quality personally tailored support is available
- Offer a Personal Budget based on self / supported assessment
- Work with partners to enable people to live a life free from abuse or neglect & enjoy the best quality of life
- Make available with partners a range of universal & preventative services
- Improve advice & information for individuals, carers & community groups
- Listen & involve local people in the transformation of care & support
- Ensure the best possible use is made of funding channelled through the Council
- Support the development of a skilled local workforce
