RECOMMENDATION(S):

- 1. that the Business Transformation Overview & Scrutiny Committee**
 - (a) considers and approves the work programme attached, subject to any further amendments it may wish to make; and**
 - (b) considers whether it wishes to add any further items to the work programme and/or establish any Task Forces to assist it in reviewing specific items.**

Work Programme

1. As Members will be aware, the Committee received a presentation at its first meeting, which provided an overview of the work of the Business Transformation directorate and the key issues and challenges facing it.
2. At this meeting, and with the support of the officers in attendance, Members highlighted a number of priority items for inclusion in an initial Committee work programme and since then the work programme has continued to be refined at each subsequent meeting. A summary of the current programme is attached at Appendix A.
3. The Committee is now requested to consider the work programme attached and amend or add to it if necessary. This will allow officers to plan accordingly but will not preclude further items being added during the course of the year if Members so wish and capacity exists.

Task Forces

4. In addition to consideration of the work programme, Members will also need to consider how each item will be reviewed i.e. by the Committee itself (over one or a number of Committee meetings) or by establishing a Member Task Force to review an item in greater depth and report back its findings.

Conclusion

5. Members are requested to consider and agree the attached work programme, subject to any further amendments/additions they may wish to make and highlight those items within it where they wish to establish a Task Force to assist the Committee in its work.
