Introduction

1. The report sets out the financial position as at the end of December 2009 and the forecast position at year end. Table A shows the net revenue position.
2. Members are aware that this is a relatively high risk budget as it is the first one produced by Central Bedfordshire and it is for this reason that robust monitoring has been in place since day one. The Quarterly Performance Report will be presented to the Committee at the same time as this Budget Management Report to provide a better link between performance and finance issues.

Quarter 2 – Key Messages

3. The net revenue position as at December is a £2.1m overspend. Work is continuing on the Directorate Action Plans to address the overspend.

Conclusion and Next Steps

4. The Committee is asked to note and consider this report.
5. The Committee is also asked to consider any issues from this report that could form part of its work programme.
