

## Appendix A

# CENTRAL BEDFORDSHIRE PETITION SCHEME

## Petitions

The Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. All petitions sent or presented to the Council will receive an acknowledgement from the Council within 3 clear working days of receipt. This acknowledgement will set out what we plan to do with the petition. We will treat something as a petition if it is identified as being a petition, or it seems to us that it is intended to be a petition.

Paper petitions can be sent to:-

The Monitoring Officer  
Central Bedfordshire Council  
Priory House, Monks Walk  
Chicksands  
Beds SG17 5TQ

or be created, signed and submitted (with effect from 1 October 2010) online by following this link [*insert link*].

Petitions can also be presented to a meeting of the Council. These meetings take place on a 8 weekly basis. Dates and times can be found here: <http://www.centralbedfordshire.gov.uk/modgov/mgCalendarMonthView.aspx?bcr=1> If you would like to present your petition to the Council, or would like your Councillor or someone else to present it on your behalf, please contact Democratic Services on 0300 300 4032 at least 7 clear working days before the meeting and they will talk you through the process. If your petition has received 1,250 (approximately 0.5% of the population of Central Bedfordshire) signatures or more it will also be scheduled for a Council debate [ *Link to section on Full Council debates*] and if this is the case we will let you know the date of the Council meeting at which the petition will be discussed.

## What are the guidelines for submitting a petition?

Petitions submitted to the Council **must** include:-

- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take; and

- the name and address and signature of any person supporting the petition.

The petition should contain at least 10 signatures and if it is an e-petition, at least 100 signatures. Higher thresholds apply to petitions requiring a debate in full Council [*insert link to “Full Council Debates”*] or to require a Senior Officer to give evidence [*insert link to “Officer Evidence”*].

The petition should concern a matter for which the Council is responsible or relate to an improvement in the economic, social or environmental well-being of the Council’s area to which any of our partners could contribute.

Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will **not** be placed on the website. If the petition does not identify a petition organiser will contact signatories to the petition to agree who should act as the petition organiser.

Petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be accepted.

In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the revised timescales which will apply. If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

## What will the Council do when it receives my petition?

An acknowledgement will be sent to the petition organiser within 3 clear working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.

If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition is being referred to a meeting of the Council’s Executive or a Committee the acknowledgement will advise where and when the meeting will take place. If the petition has enough signatures to trigger a Council debate, or a Senior Officer giving evidence, then the acknowledgement will confirm this and tell you when and where the meeting will take place. If the petition is to be submitted to a meeting of full Council or the Executive you will be able to address the meeting for up to 5 minutes. At other meetings you will be able to speak for up to 3 minutes. If the petition needs more investigation, we will tell you the steps we plan to take.

To ensure that people know what we are doing in response to the petitions we receive, the details of all the petitions submitted to us will be published on our

website, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed). When you sign an e-petition you can elect to receive this information by email. We will not send you anything which is not relevant to the e-petition you have signed, unless you choose to receive other emails from us.

## Are there any matters on which I cannot submit a petition?

If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or a matter where there is already an existing right of appeal, such as Council tax banding and non-domestic rates, other procedures apply. Please contact Democratic Services [*insert link*] on 0300 300 4032 for more guidance.

We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition.

## How will the Council respond to petitions?

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:-

- taking the action requested in the petition
- considering the petition at a Council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by the Council's relevant overview and scrutiny committee\*
- writing to the petition organiser setting out our views about the request in the petition.

\*Overview and scrutiny committees are committees of Councillors which are responsible for scrutinising the work of the Council and its Executive – in other words, the overview and scrutiny committees have the power to hold the Council's decision makers to account.

In addition to these steps, the Council will consider all the specific actions it can potentially take on the issues highlighted in a petition.

If your petition is about something over which the Council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners [*link to list of LAA partners*] and

where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then we will set out the reasons for this to you. You can find more information on the services for which the Council is responsible here [\[link\]](#).

If your petition is about something that a different Council is responsible for, we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event we will always notify you of the action we have taken.

## Full Council debates

If a petition contains more than 1,250 signatures it will be debated by the full Council unless it is a petition asking for a senior Council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all Councillors can attend. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser will be given up to 5 minutes to present the petition at the meeting and the petition will then be discussed by Councillors for a maximum of 15 minutes. The Council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Council's Executive is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of this decision. This confirmation will also be published on our website.

## Officer evidence

Your petition may ask for a senior Council officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, your petition may ask a senior Council officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.

If your petition contains at least 600 signatures (600 is approximately 0.25% of the population of Central Bedfordshire), the appropriate senior officer will give evidence at a public meeting of the Council's relevant overview and scrutiny committee. A list of the senior staff that can be called to give evidence can be found here [\[insert link\]](#). You should be aware that the overview and scrutiny committee, or its chairman, may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition – for instance if the named officer has changed jobs. The committee may also decide to call the relevant Councillor, for example

the appropriate Portfolio holder or ward Councillor, to attend the meeting. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the chairman of the committee by contacting Democratic Services [*insert link*] on 0300 300 4032 up to three clear working days before the meeting.

The lead petitioner can present the petition at the meeting of the overview and scrutiny committee and speak on it for up to 3 minutes.

## E-petitions (to be introduced with effect from 1 October 2010)

The Council welcomes e-petitions which are created and submitted through our website [*link*]. E-petitions must follow the same guidelines as paper petitions [*link to guidelines*] although a minimum of 100 signatures is required, instead of 10. The petition organiser will need to provide us with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for six months, but you can choose a shorter or longer timeframe, up to a maximum of 12 months.

When you create an e-petition, it may take five working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature.

If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 clear working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.

When an e-petition has closed for signature, it will automatically be submitted to Democratic Services. In the same way as a paper petition, you will receive an acknowledgement within 3 clear working days. If you would like to present your e-petition to a meeting of the Council, please contact Democratic Services [*insert link*] on 0300 300 4032 within 7 clear working days of receipt of the acknowledgement.

A petition acknowledgement and response will be emailed to everyone who has signed the e-petition and elected to receive this information. The acknowledgment and response will also be published on this website.

## How do I 'sign' an e-petition?

You can see all the e-petitions currently available for signature here [*insert link*].

When you sign an e-petition you will be asked to provide your name, your postcode and a valid email address. When you have submitted this

information an email will be sent to the email address you have provided. This email will include a link which you must click on in order to confirm the email address is valid. Once this step is complete your 'signature' will be added to the petition. People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

## What can I do if I feel my petition has not been dealt with properly?

The petition organiser will be advised of the outcome of the petition within 2 clear working days of it being considered by Council, the Executive or a committee. If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Council's relevant overview and scrutiny committee review the steps that the Council has taken to process the petition. The petition organiser's request should be submitted within 5 clear working days of their being advised of the Council's response. It can improve the prospects for a review if the petition organiser gives a short explanation of the reasons why the Council's response is not considered to be adequate.

The committee will endeavour to consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the committee determine that the Council has not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Council's Executive and arranging for the matter to be considered at a meeting of the full Council.

Once the appeal has been considered the petition organiser will be informed of the results within 10 clear working days. The results of the review will also be published on our website.
