Welcome to the Central Bedfordshire Council's School Transfer Information Booklet. This booklet is for parents / carers of children who are due to transfer to a middle or upper school in September 2010. Introduction

The Central Bedfordshire Council and Bedford Borough Council have agreed to provide a shared School Admissions Service to parents / carers of children living in these local authority areas and whose children are transferring to middle or upper school in September 2011.

Although the process of applying for school places in the two new authorities will be administered, until 31 July 2011, by the same team of staff based at Borough Hall in Bedford, each of the new authorities is responsible for making the decisions about admissions to schools in their area. It is important, therefore, that you apply for a school place using the appropriate application form and in accordance with the information contained in this booklet.

Legislation requires you to complete the application form for the local authority in which you live, even though we are sharing the service with Bedford Borough. Therefore, if you live in Central Bedfordshire you must list all of your preferred schools on the Central Bedfordshire form even if the schools are within Bedford Borough.

Don't forget that you can apply for a school place using the online application facility in accordance with the following directions:

- Residents of Central Bedfordshire- you can apply online at www.centralbedfordshire.gov.uk/onlineadmissions
-
- Residents of Bedford Borough – you can apply online at www.bedford.gov.uk/onlineadmissions
-
- Residents of other Local Authorities- unfortunately our online system will not accept applications from residents of other local authorities.

If you live outside the area of Central Bedfordshire Council and you wish to apply for a place in a Central Bedfordshire school, you must complete your own Local Authority's application form. Your own Local Authority will inform us if you have put any Central Bedfordshire schools on their application form. We will not be able to process any applications we receive on the Central Bedfordshire application form from out of area parents.

Even if your Local Authority accepts more than three preferences, please note that we will only accept a maximum of three Central Bedfordshire schools.

What you should consider when expressing a preference for a school

What schools are available?

At the back of this booklet, you will find information about every middle and upper school. The "key" on page 22 explains the difference between the various types of school. For each school you will find:

- the address;
- the name of the headteacher;
- the telephone number;
- the website address (where applicable);
- the category of the school and the age range;
- the number on roll for January 2010;
- the admissions number (how many pupils the school can admit).
- As well as this basic information you will also find:
- the admissions criteria;
- the number of applications received and the number of places offered for admission in September 2010;
- at which point on the list of admissions criteria the last place was offered for admission in September 2010

Information about individual schools

We ask the headteacher of every middle and upper school to arrange an open evening for parents / carers of children who are due to transfer to their phase of school. The open evenings will help you to decide which school is best for your child. The headteacher and other school staff will be at the open evening and will answer questions about their school. You will find the dates of the open evenings on pages 17– 20.

To help you decide, you can also get the following information from individual schools:

- the school prospectus;
- the governors' annual report to parents;

- inspection reports by the Office for Standards in Education (OFSTED).

These documents will tell you things you need to know about the school, such as:

- what subjects the school curriculum covers;
- the aims of the school;
- what the school community is like;
- public examination results (if appropriate).

You will be able to get a copy of the school prospectus at the open evening.

Performance tables and examination results can also be helpful when choosing a school, but they have limitations. Be careful when comparing the performance of individual schools based only on these results – they don't give you the full picture.

If you would like a copy of Central Bedfordshire's Key Stage 2 results for middle schools or Key Stage 3 results for upper schools, or details of public examination results please contact the Department for Education, telephone **0870 000 2288**. Alternatively, the information is available from the DFE website or the Central Bedfordshire website. These websites also contain other useful information and statistics about schools, as does the OFSTED website.

Oversubscription

The number of children choosing a particular school varies from year to year and different schools have different admission numbers. In some cases the number of places offered was more than the admission number. This may be because the number of children living in the catchment area was higher than the admission number. This does not mean that there will be a similar number of places in September 2011. Please refer to the admission limit for each school. You may find this information helpful when you are considering whether or not spare places are likely to be available at your preferred school. But be aware that subscription levels may vary from year to year.

A school may be oversubscribed one year but have places available the next. Likewise, the fact that a school had places available in September 2010 does not mean that you will definitely get a place there in September 2011. Each school has a prospectus which includes details about the level of oversubscription and how places for September 2010 were allocated.

Admissions Criteria

Admissions criteria are the rules we apply when there are more applications for places than places available. They explain the order in which places are allocated. All schools have published admissions criteria. We have standard criteria which many schools use. You will find our standard admissions criteria for community and voluntary controlled schools below.

Some schools have additions to our standard criteria and you will find details of these in the information sheets. This will help you to judge whether you meet the criteria for admission to a particular school. It will also help you to complete in the application form.

Standard Admissions Policy 2011 Community and Voluntary Controlled Schools

The Local Authority will apply the following criteria (in the rank order shown) to decide the order in which places will be allocated when there are more requests from parents / carers than the number of places available:

1. All “Looked after” children
2. Pupils living in the catchment area with siblings at the school
3. Other pupils living in the catchment area;
4. “Very exceptional” medical grounds
5. Other siblings
6. Any other children.

Notes

1. If applying these criteria results in there being more children with an equal right to admission to the school than the number of available places, the tie break will be the distance the pupil lives from the school, measured in a straight line, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority. The Local Authority will measure the distance from the address point of the pupil’s home to a point on the school site agreed with the governing body of the school. The Local Authority will not give priority within each criterion to children who meet other criteria.

2. The Local Authority will normally offer a place at the catchment area school if parents apply for a place at that school during the normal admissions round. However, a place at the catchment area school cannot be guaranteed. If a pupil moves into the catchment area outside the normal admissions round (or after the allocation process has been completed) it may be more difficult to offer a place at the catchment area school if this would mean exceeding the admission number at the school. In this case, a place will normally be offered at the next nearest maintained school which caters for pupils of the same age and has places available.

3. Pupils who have a Statement of Special Educational Needs are required to be admitted to the school which is named on the statement, even if the school is full. Pupils identified for admission through the Fair Access Protocol will also be admitted even if the school is full.

Sometimes we may refuse a place to a pupil who lives within the school's catchment area. If this happens the Local Authority will offer a place at the school nearest to the pupil's home address which caters for pupils of the same age and has places available. This will also apply if you live in the area of Central Bedfordshire Council but you do not express a preference for a school or schools.

Definitions

“Looked after” children

The Children Act 1989 defines a child who is “looked after” as a child or young person who is accommodated by the local authority (Section 20), or a child or young person who is the subject of a full care order (Section 31) or an interim Care Order (Section 38).

Sibling

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent / carer's partner, and in every case, the child should be living at the same address. The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission.

“Very Exceptional” Medical Grounds

“Very exceptional” medical grounds refers to cases where there are exceptional medical reasons which make it essential that a child should attend a particular school and where the preferred school is the only school locally that could meet the child's needs. A medical report from the child's doctor or consultant must be submitted with the application form, setting out valid medical reasons why it is essential for the child to be admitted to the school in question and the difficulties that would be caused if the child had to attend another school. The comments of the Authority's medical officer may be sought to decide whether it is essential for a child to be admitted to the preferred school on medical grounds. Admission on medical grounds cannot be considered where the medical condition relates to that of a parent / carer, brother or sister or other relative / childminder.

Home Address

A pupil's home address will be regarded as the address of the parent / carer with parental responsibility with whom the child normally lives. This will not usually include grandparents, aunts or uncles. Where a child spends time with parents / carers at more than one address, the address used to allocate a school place will be the one at which the pupil is ordinarily resident and where the child spends the majority of the school week (Mondays to Fridays) including nights. If there is any query on the home address this will be checked against original official documentation e.g. council tax bill, a recent utility bill (gas, electric or water), a rental agreement, child benefit annual statement or family tax credit information.

How to complete the application

The law says that every parent must have the opportunity to express a preference for the school or schools they want their child to go to. The enclosed transfer form gives you this opportunity but we would strongly recommend that you apply online at: www.centralbedfordshire.gov.uk/onlineadmissions (residents of Central Bedfordshire only). Although the admissions procedures for children with statements of special educational needs are different from those of other children (see Section D on page 10), we ask parents to use this form to confirm the school they would like their child to attend. You should complete only one application form and list the schools you want your child to attend in order of preference. If you apply online please **do not** submit a paper application. If you do, the paper application will be disregarded.

On the front of the transfer form we will attach a label on which will be:

- your child's personal details;
- the name of the catchment area middle or upper school if you live within Central Bedfordshire. If you live in another local authority area, it will say 'out of area.'

If your child is transferring and attends a Central Bedfordshire school, but you live in the area of another local authority (for example, Luton) you will not receive a form. Instead we will send you a letter which explains how to apply for a school place.

Please check that the name, date of birth and home address are correct.

You must contact us as soon as possible if any of these details are wrong or if you move before September 2010. This is very important because the child's address affects the catchment area and the offer of a place. For information on how to check which school is your catchment area school please see Section B on page 9. The following notes and the notes on the form are designed to help you fill in the form. Please read them carefully and answer all the relevant questions, giving further details where the form asks for them. If you are not sure how to complete the form, please ring us.

Pupil's Details

Please complete your child's personal details in all the boxes in this section of the form. If you move after submitting your application, you should notify us as soon as possible, but please be aware that we cannot guarantee to take account of your new address if the allocation process has begun. Although we are not asking all parent / carers to provide evidence that they have parental responsibility or to provide proof of address, we will be carrying out random checks and you may, therefore, be asked to provide this information at a later date.

Please note: We will withdraw the offer of a place if we find that you have given fraudulent or misleading information that has effectively denied a place to a child with a stronger claim – for example if you claim to live in the catchment area when you don't.

School preferences

This section allows you to express a preference for the school or schools you want your child to go to.

This also applies if your child has a statement of special educational needs, but please refer to Other Information. Do **not** include independent schools in this section.

If you are applying for a school place and do not live within the Central Bedfordshire Council area, you must contact your own local authority for an application form.

Most parents will want their child to attend the catchment area school, but you have the right to express a preference for another school or more than one school. We will consider your child for each of the schools you put on the application. If there is a place for your child at more than one of those schools, we will offer you a place at the school you have identified as your highest priority. This may not apply if your child has a statement of special educational needs.

You may wish to put your catchment area school as one of your preferences. This will usually mean that you still have priority for a place at the catchment area school if there isn't a place for your child at your preferred school or schools. If you are not sure which is your catchment area school, please check our website:

www.centralbedfordshire.gov.uk/catchmentareas

If you do not have access to the internet please contact us.

The school information sheets at the back of this booklet will tell you what type of school your catchment area school is and the Key on page x also gives definitions of the various types of school. The following school does not serve a local catchment area:

- Ashton Church of England Middle School, Dunstable

Admission to this school is in accordance with the school's own admissions criteria. The other voluntary aided schools – Holywell Middle School and Manshead Upper School serve a local catchment area as well as providing a faith-based education in their local area. Their admission policies reflect this.

The law says that admissions authorities must consider admitting children whose parents have expressed a preference for a school before they consider those whose parents have not expressed any preference.

Because of this, if you do not make a request for your catchment area school according to the published admission arrangements it could result in a place not being available at that school. It could also affect your entitlement to free transport (see the transport section page x)

Other children

In some cases your child may have a greater chance of being offered a place at a school if an older sibling*** already goes to that school but this is not a guarantee of a place. **If, in September 2011, you will have another child still going to one of the schools you have nominated, please put their name, date of birth and the school they attend, in the boxes provided.** We will check this information with the school(s) concerned. If you do not provide this information or this section becomes relevant to you after the allocation process is completed, we cannot guarantee you a place at the school(s) concerned.

Other Information

i) Children with a statement of special educational needs

It would be helpful if you could complete this section if your child has a statement of special educational needs or if your child is currently going through the statementing process. The arrangements for admitting a child with a statement of special educational needs are different to those for children who do not have a statement. The 1996 Education Act says that we must consult with the Headteacher and Governing Body of the school before we can name a particular school within a statement.

The local authority must name your nominated school in the statement if:

- the school can meet your child's needs;
- the placement constitutes an efficient use of resources;
- the placement results in the efficient education of all children with whom your child will be educated.

We will let you know as soon as possible the name of the school which we propose to name on your child's statement of special educational needs.

If you have any queries or concerns about the process, please contact the Assessment and Monitoring Team, telephone: 0300 300 8000.

If your child's special educational needs are supported at School Action or School Action Plus, your preferences for their school place will be treated in the same way as all other applications. If you have concerns about your child's special educational needs when they start school or transfer to a new school, you can talk in confidence with the Parent Partnership Service, telephone 0300 300 8088.

ii) "Looked after" children

"Looked after" children** have the highest priority for admission. If your child is "looked after", you must include the details on the application form. We will check this information with the appropriate authority.

iii) Very Exceptional Medical Grounds

iv) Nearest school

Queensbury School in Dunstable gives a higher priority to applicants from outside the catchment area if Queensbury School is the nearest school to their home. But this does not guarantee a place.

If you have nominated Queensbury School and you meet this criterion, you must complete this section on the transfer form.

If you do not provide this information or this section becomes relevant to you after we complete the allocation process, there will be no guarantee of a place at the school.

Independent school

If you are applying for a place at an independent school, please provide us with the name of the school. You should also keep us informed about the progress of your application. This will avoid us allocating a place for your child at a Central Bedfordshire school which you do not need.

Religious/Faith Grounds

Voluntary Aided schools provide religious education that follows the teaching of a particular faith. We have Church of England schools and there are Catholic schools in neighbouring Bedford Borough. Being a practising member of the appropriate faith, or having been baptised into that faith, may give your child a greater chance of a place at that school according to the school's admissions criteria. But it does not always guarantee you a place. Being a practising member of another faith may also give your child a greater chance of a place at that school but, again, it is not a guarantee.

If you are applying for a place at a school on religious or faith grounds, it is important to provide all the information the form asks for .

If you are applying for a place at Ashton Middle School or Holywell Middle School in Central Bedfordshire or Alban Middle School or St. Gregory's Catholic Middle School in Bedford Borough on religious or faith grounds you must also arrange for your priest, minister or faith leader to complete and sign the 'Declaration by Priest, Minister or Faith Leader' on the relevant page of the Transfer to Middle School Application Form.

If you are applying for a place at Manshead Upper School in Central Bedfordshire or St. Thomas More Catholic Upper School in Bedford Borough on religious or faith grounds you must also arrange for your priest, minister or faith leader to complete and sign the 'Declaration by Priest, Minister or Faith Leader' on the relevant page of the Transfer to Upper School Application Form.

Some Voluntary Controlled Schools give a higher priority to applicants who apply on religious grounds. If you are applying for a place at Edward Peake Middle School on religious or faith grounds you must also arrange for your priest, minister or faith leader to complete and sign the "Declaration by Priest, Minister or Faith Leader" on the relevant page of the Transfer to Middle School Application Form.

If you are applying for a place on religious grounds at St Gregory's Middle School or St Thomas More Upper School in Bedford Borough because your child has been baptised, you must provide a copy of their baptismal certificate.

If you are applying online, please make sure you complete the 'Confirmation of Religious Affiliation' form available from: www.centralbedfordshire.gov.uk/onlineadmissions

If you live in Central Bedfordshire and your preferred school is in another Local Authority you will need to ask them how to provide this information.

If you live in another Local Authority's area you can obtain the 'Confirmation of Religious Affiliation' form from our website:
www.centralbedfordshire.gov.uk/admissions.

Feeder Schools

Some schools give a higher priority to children from outside the catchment area who go to one of the feeder schools. If a school has a feeder school criterion, the individual admissions criteria for that school will identify this (see school information sheets). **But this does not guarantee a place.** You cannot assume that your child will be offered a place if you do not live in the catchment area, even though out of catchment area children attending feeder schools may have been offered places in the past.

If any of the schools you nominate have feeder schools as part of their admissions criteria, we will take it into account when we consider your application. Please note that some schools impose a time limit for attendance at a feeder school. If your child is admitted to a feeder school after the allocation process is completed there will be no guarantee of a place at the school(s) concerned.

Declaration

Please complete, this part of the application.

If you are applying for a place at a school on religious/ faith grounds, please remember to complete the relevant sections.

Data Protection Act 1998

We will hold the personal details supplied on the application form for the purposes of processing your application for a school place. We will share the information internally within the Council with relevant officers and schools and may also share it with other relevant Local Authorities. We will safeguard your personal details and will not divulge them to any other individuals or organisations for any other purposes.

Who allocates places?

Community and Voluntary Controlled schools

The Local Authority is the admission authority for Community and Voluntary Controlled schools. This means that we allocate places at these schools. The headteachers of these schools **are not** authorised to offer your child a place. If the headteacher of one of these schools indicates that he or she will offer your child a place, you **cannot** assume that this will be so. You must have a letter from **us** offering your child a place before your child can attend one of these schools. If your child has a statement of special educational needs please see Other Information.

Academy, Foundation, Voluntary Aided and Trust schools

The admission authority for an Academy, a Foundation, a Voluntary Aided or Trust school is its Governing Body. This means that the school governors decide who to admit to these schools. However, we write to parents on the school governors' behalf to offer school places. You must have a letter from **us** offering your child a place before your child can start at one of these schools. A letter from the school is not a valid offer. If your child has a statement of special educational needs please see Other Information.

Late applications

The closing date for applications in the normal admissions round is **31 October 2010 for upper schools** and **15 January 2011 for middle schools**. As far as is reasonably practicable we will accept applications for places in the normal admissions round that arrive late for good reason. If we receive applications late with good reason after the allocation procedure has begun we will consider them if it is practical to do so, but we cannot guarantee to do this.

If we receive applications late with good reason after places have been offered we will prioritise the applications and any waiting list according to the admissions criteria of the individual schools and we will offer a place at the highest preference school that has a place available. If all preferred schools are full and the pupil lives in Central Bedfordshire, a place will generally be offered at the nearest school with places available. However, it may be necessary to make a priority placement available for Central Bedfordshire children whose application is late for good reason.

How are places allocated?

All our schools now operate an equal preference system for allocating places. This means that there are two stages in the allocation process.

Stage 1:

All first, second and third preference applications are considered equally against the schools' admissions criteria. At this stage there is no distinction between first, second and third preference applications. For example, if the school has 130 places and there are 145 first, second and third preference

applications, all applications are considered equally against the admissions criteria.

Stage 2:

If we are able to offer a place at more than one school, the school ranked higher by the parent (i.e: first or second preference on the application form or online application) will be offered and any lower ranking offers will be disregarded. For example, a parent's first and third preferences might both qualify for a place, in which case the parent would be offered their first preference, leaving the place at the third preference school available for another pupil.

Offers

Occasionally the last child we offer a place to at a school is the first child from a family with multiple births. If this happens at a community or voluntary-controlled school, we will offer a place to the subsequent child/children even if it takes the school over their admission number. If this happens at an academy, foundation, trust or voluntary-aided school we would ask the school to admit the subsequent child/children. Pupils living in the area of Central Bedfordshire Council who have not been allocated a place at any of their preferred schools, or whose parents / carers did not express a written preference, will be allocated a place at the nearest Central Bedfordshire school to their home address with vacancies.

Fair Access Protocol

The Local Authority has a Fair Access Protocol which has been agreed with all schools. The protocol applies in exceptional cases where the circumstances of the child mean that the normal admission procedure cannot ensure that the child will be admitted to a suitable school as quickly as possible. In most cases children will be admitted to school in accordance with the arrangements set out in this booklet or in accordance with the in-year admission arrangements (see separate guidance notes for parents). However, for some children without a school place, for example children permanently excluded from a school, the normal admission process may not result in a suitable school placement for the child. Children identified for a school place through the Fair Access Protocol will take precedence over other children on a waiting list for admission and may be admitted to a school even if that school is full.

How you will hear the result of your application

When we have completed the allocation process, we will write to tell you the outcome of your application. You will receive a letter (please see timetable on page x) to tell you where your child has a place. If you have applied online you will also be sent an email. Please note that we will not be able to give you this information over the telephone. If your child has a statement of special educational needs, the Assessment and Monitoring Team will write to you at the appropriate time to tell you the school where your child has a place. If we are not able to offer you a place at your preferred school or schools, you have the formal right of appeal to an independent Admissions Appeals Panel. We will tell you about the procedure to follow if you want to appeal, however

appeals are normally held during the summer term. If we are not able to offer a place at any of your preferred schools and you live in the Central Bedfordshire Council area, we will offer your child a place at:

- the catchment area school, if there are still places available; or
- the next nearest Central Bedfordshire Local Authority school to your child's home address which has places available.

We will also tell you which other schools still have places available. You will be able to request a place at one of those schools. However please be aware we will not be able to consider another application for a place at the same school in the same academic year unless there has been a change of circumstances relevant to the application. This also applies if you have been offered a place at your preferred school, but change your mind.

If your child has a statement of special educational needs, the Admissions Appeals Panel cannot deal with your appeal. If you are unhappy about the school which has been named on the statement, you should contact the Assessment and Monitoring Team, telephone: 0300 300 8000.

Waiting lists

If we have not been able to offer you a place at your preferred school(s), we will place your child's name on a waiting list which has been prioritised according to the admissions criteria for individual schools. If a place becomes available we will contact you, even if you have accepted a place at another school. Your child's position on the waiting list could change if other children are added or removed. We will maintain the waiting lists for community and voluntary controlled schools until the end of the Autumn Term 2011. If you wish to remain on the waiting list beyond that time you will need to write to us. If you have been turned down for a place at an academy, foundation, trust or voluntary aided school, their arrangements for maintaining a waiting list may be different.

Home to school transport

Generally, as a parent, you are responsible for your child's journey to and from school. However, the local authority provides free transport in certain circumstances. You can get full details of the transport policy from The School Transport Entitlement Team, Children's Services, Central Bedfordshire Council. Telephone 0300 300 8133 or from the Council's website www.centralbedfordshire.gov.uk

How we decide who is entitled to free transport

We consider applications for free transport individually, taking into account the legal requirements and the circumstances of each applicant. Our general policy is to provide free transport for children of compulsory school age (5–16 years) who live in the area of Central Bedfordshire Council, if they:

- go to their designated catchment school; or
- go to the appropriate school nearest to their home which is able to offer them a place; and if they:
- live more than 2 miles (under 8 years of age) or 3 miles (8 years of age and over) away from the school.

In addition, for low income families of primary aged children 8 -11 years, free transport will be provided to the nearest school for those children living more than two miles from the school.

For children aged 11 and over free transport is provided in one of two ways:

- to a choice of one of the three nearest qualifying schools, provided it is more than 2 miles by the shortest available walking route, but not more than 6 miles by motorised route from the child's home.
- and also to the nearest suitable school preferred by reason of a parent's, or those with legal responsibilities, religion or belief, provided it is more than 2 miles by the shortest available walking route and not more than 15 miles by motorised route from home.

A low income family is defined as one whose children are entitled to free school meals or who are in receipt of their maximum level of Working Tax Credit.

We measure the distance using the shortest walking route from the child's home to the school. If it is appropriate, we may provide transport on road safety grounds for a child who lives three miles or less from the catchment area school or the nearest school.

We provide transport either by using contract vehicles or by giving pupils passes to travel on public service buses. Pupils may have to walk a reasonable distance to and from home to meet the transport.

If you do not make a request for your catchment area school in the way this booklet describes, there may not be a place for your child at that school. If this

happens we will not provide transport to an alternative school, even if that school is more than three miles from your child's home, unless you qualify for transport as a low income family.

Help with transport for pupils who do not go to their catchment or nearest school

If you express a preference for a school other than the catchment area or nearest school and your child gains a place at that school, we will not normally provide transport or give financial help towards the transport costs unless you qualify for transport as a low income family (children aged 8 - 11 years only). In this case you must accept responsibility for transport arrangements and all costs involved.

If your child travels to school and pays a fare on a normal public service bus, please note that bus companies can alter services or withdraw them and this is outside our control. If this happens we may be able to help by offering a spare seat, at a concessionary rate, on another transport service, if there is one.

Transport assistance if the catchment area school is full

If you express a preference for the catchment area school and it is full we will provide transport to the next nearest Local Authority school with places available, provided you live more than 2 miles (under 8 years of age) or 3 miles (8 years of age or over unless you qualify for transport as a low income family) from that school by the shortest walking route. The same is true if you express a preference for a foundation or voluntary aided school which is also your catchment area school and the school is full.

Transport for pupils with special needs

Children with Special Educational Needs are entitled to assistance with transport where the normal distance criteria apply. Transport is not automatically provided because a child has a statement of special educational needs. The Council recognizes that some children with special educational needs may not be able to walk even relatively short distances to school. However other may, with appropriate support, be able to walk or use alternative ways of getting to school.

Transport needs for a child with special educational needs will be assessed as part of the Statutory Assessment Process. The most appropriate mode of travel will be agreed as part of the Statutory Assessment.

Living outside Central Bedfordshire

I do not live in Central Bedfordshire but my child goes to a school in Central Bedfordshire. Can I get any help with transport?

If you do not live in Central Bedfordshire, you must contact the Local Authority for the area where you live and ask them if they can help.

Applying for Transport

How do I apply for transport for my child?

There is nothing more you need to do when you have filled in the application form. The School Admissions Service will pass the information to the School Transport Entitlement Team and they will assess whether your child is entitled to free transport. If, when your child reaches the age of 8 years, you wish to apply for transport because you are a low income family, you should contact the School Transport Entitlement Team for an application form.

If a school admits your child after the start of an academic year you will need to contact the school. They will complete a transport request form and forward it to the School Transport Entitlement Team.

Sustainable Modes of Travel Strategy for Schools

Increased car use and the impact of the 'school run' is a problem everywhere and travel to nurseries and schools in the area generates a significant number of car journeys contributing to peak time traffic congestion. To find out more about travelling to school or to view the sustainable modes of travel document go to www.centralbedfordshire.gov.uk.

Middle and upper schools Information sheets

The following pages contain detailed information about our schools to help you to consider which school(s) you would like your child to attend

Column Title	
Academy	Academies are all ability schools established by the Department for Children, Schools and Families and sponsors from business, faith and/or voluntary groups working in partnership with local education partners. The Governing Body is responsible for the admission arrangements.
Community	The Local Authority is responsible for the admission arrangements. Religious Education in community schools follows the Agreed Religious Education Syllabus for the Authority.
Foundation	The Governing Body is responsible for the admission arrangements in a Foundation School. Religious Education in Foundation schools follows the Agreed Religious Education Syllabus for the Authority.
Trust	A Trust School is a Foundation school which is supported by a charitable trust. A Trust may include just one school or a group of schools working with external partners to share best practice and to support transition between phases. The Governing Body is responsible for the admission arrangements in a Trust School. Religious Education in Trust schools follows the Agreed Religious Education Syllabus for the Authority.
VA	Voluntary Aided. The Governing Body is responsible for the admission arrangements in a VA school. Religious education follows the teaching of the Church of England (if C of E) or the Catholic faith (if Catholic). The Council maintains the school but the governors employ the staff and have wider responsibilities for the upkeep of the building than in a Community or Controlled School.
VC	Voluntary Controlled. The Local Authority is responsible for the admission arrangements. Religious worship usually follows the teaching of the Church of England, under the direction of the school Governors. Religious education follows the Agreed Religious Education Syllabus for the Local Authority. The Governors have greater control over the use of the premises than in a Community School.
Admission Number	This represents the number of pupils the school can admit in each year. Schools Number are expected to admit up to that limit during the course of the year, if there are requests for places. Where there are more requests for places than the number of places at that school, we allocate places in order of priority according to the school's admissions criteria.

NOR 2010	Number on Roll. We have included the roll for January 2010 to show you the likely size of the school.
Designated measuring point	If applying the admissions criteria results in there being more children with an equal right to admission to the school than the number of available places, the tie break will be the distance the pupil lives from the school, measured in a straight line, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. The Local Authority will measure the distance from the address point of the pupil's home to a point on the school site, agreed with the governing body of the school. This point is the designated measuring point.
Admissions in September 2010	We have included this information as you may find it helpful when considering whether or not places are likely to be available at your preferred school. You should be aware, however, that numbers vary from year to year and the availability of places in September 2010 will not mean that places will be available in September 2011. Likewise oversubscription in September 2010 will not mean oversubscription in September 2011.
Admissions criteria definitions	Some schools have definitions as part of their admissions criteria to help you understand if you meet a particular criterion, for example an explanation of what is meant by 'regular attendance' at a church. Therefore, if you want your religious leader to sign your form to confirm your religious affiliation you must take this book for them to check the school's criteria.
Uses of email addresses	Notice to companies and other bulk e-mail sources. DO NOT use the e-mail addresses in this list to send e-mail to all schools. If you do, subsequent mail from your address will be blocked. If you wish to contact all schools for a valid reason, please send one e-mail to: support@schools.bedfordshire.gov.uk . We will forward if it is appropriate to do so.
