Acting Head Teacher: Mrs P Richards

Ramsey Manor Lower school is committed to safeguarding children and providing a safe, secure and healthy environment for them.

12.03.10

Dear Mr Jackson,

Reference 114923, 114922

Please find enclosed a petition from our parents and local residents with regard to the requests referenced above. I hope this will indicate to the Council the level of concern we have for the safety of the children who use Manor Road to go to school each day.

When I spoke to Amy Brunetti, a member of the Highways department, this week she informed me that the department would not be considering making Manor Road a 20mph zone as our school is not part of the 'Safer Routes to School Scheme' and that no action had been taken yet with regard to my other requests.

I find this very disappointing and feel that a child is going to have to be seriously hurt, or worse, before the Council will take our concerns seriously.

I look forward to your response.

Your sincerely,

Penny Richards
Head Teacher
