Assessment of Commissioning for Central Bedfordshire council 2009/10:

Results

Dear Ms Ogley

The enclosed Assessment of Performance (AP) report outlines the findings of the 2009/10 commissioner assessment process for your council. Thank you for the information you provided to support this process, and for the time made available by yourself and your colleagues to discuss relevant issues.

The grades outlined in the AP report are an overall grade for delivering outcomes and a separate grade for each of seven outcomes. There is a commentary on the two domains of *Leadership*, and *Use of resources and commissioning*.

Also attached are

- The Quality Assurance & Moderation summary for your council, which provides a record of the process of consideration by CQC.
- The form recording your council's factual accuracy comments and CQC's response.

We expect you, as The Director of Adult Social Services, to present the AP report to an open meeting of the relevant executive committee of the council by 31 January 2011 and to inform us of the date this will take place. Your council should make the AP report available to members of the public at the same time, and must copy this grading letter and report to the council's appointed auditor.

The grades we use are:

ADULT SOCIAL SERVICES ASSESSMENT OF PERFORMANCE 2009/10 : Central Bedfordshire	Descriptor
Grade 4: (Performing excellently) People who use services find that services deliver well above minimum requirements	A service that overall delivers well above minimum requirements for people, is highly cost-effective and fully contributes to the achievement of wider outcomes for the community.
