

TREASURY MANAGEMENT POLICY STATEMENT

1. INTRODUCTION

In accordance with the Chartered Institute of Public Finance & Accountancy (CIPFA) Code of Practice on Treasury Management (Revised 2009), this Council defines the policies and objectives of its treasury management activities as follows:

- 1.1 This Council defines its treasury management activities as:
“The management of the authority’s cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks”.
- 1.2 This Council regards the successful identification, monitoring and control of risk to be the prime criteria by which the effectiveness of its treasury management activities will be measured. Accordingly, the analysis and reporting of treasury management activities will include their risk implications for the Council.
- 1.3 This Council acknowledges that effective treasury management will provide support towards the achievement of its Medium Term Financial Strategy. It is therefore committed to the principles of achieving best value in treasury management, and to employing suitable performance measurement techniques, within the context of effective risk management.
- 1.4 The Chief Finance Officer will produce for adoption by Full Council prior to the commencement of each financial year an annual Treasury Management Strategy Statement which will set out the borrowing and investment strategy to be adopted for the for the year ahead along with the associated Prudential Indicators, in compliance with the CIPFA Prudential Code for Capital Finance in Local Authorities.
- 1.5 The Chief Finance Officer will maintain suitable Treasury Management Practices (TMPs) which will set out the manner in which this Council will seek to achieve its treasury management policies and objectives and how it will manage and control those activities.

2. Objectives

- 2.1 The principal objectives of this Treasury Management Policy Statement are to provide a framework within which: -

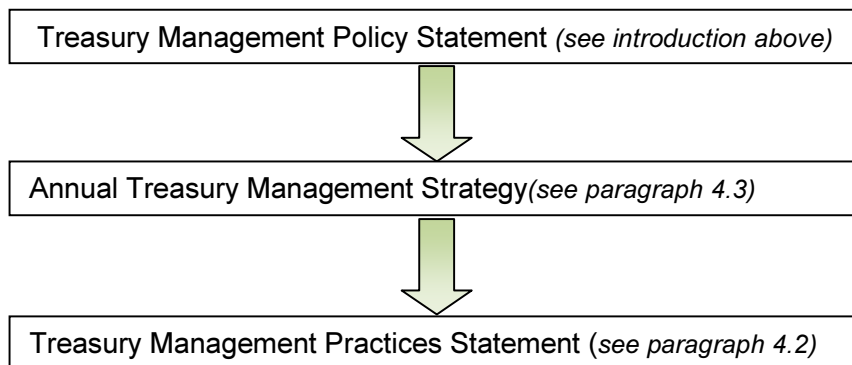

- i) Risks which might affect the Council's ability to fulfill its responsibilities or which might jeopardise its financial security can be identified and managed;
- ii) Borrowing costs can be minimised whilst ensuring the long term security and stability of the Council's financial position;
- iii) Investment returns can be safely maximised and capital values maintained;
- iv) The use of assets as loan security is minimised.

3. Review Period

It is the Council's responsibility to approve a Treasury Management Policy Statement on a periodic basis. This policy will be reviewed every three years or whenever legislative, regulatory or best practice changes materially affect the effectiveness of the current policy. The next scheduled date for review is therefore February 2013.
