**COMMENTS**

We will not be taking base budget figures to overview and scrutiny at profit centre level. We will be reporting down to the lowest level shown in Budget Monitoring, see worked examples below.

**POPULATED FROM SAP - BUDGET VERSION 1 PLUS APR TO SEP PERMANENT VIREMENTS**

Position as at 30 September 2010, will reconcile back to budget decision figure of £177.028m. It will include any **permanent virements** or technical adjustments that have been approved in year.

**POPULATED FROM SAP - SEPTEMBER FORECAST LESS BUDGET BASE IN COLUMNS A, B, C.**

To reconcile back to all pressures identified in the budget monitoring reports. This will be the **variance** to the "Latest Budget" only.

**CALCULATED FIELD**

These items will need to include any FYE of part year pressures identified in 2010/11. These will be unbudgeted pressures/savings to take forward into 2011/12 and as such they will be challenged to ensure that only truly valid items are identified.
