Dear M S Stobing,

No 14a Waban Street

I write regarding change of use of the
above premises to a hot food take away
with very late opening hours.

After we have already made

petition to remove a kebab van at
the end of Wilm Street because of the
anti-social behaviour associated with
it.

I should therefore inform you that there
will be very strong objection from the
residents to this Licence change because
of the noise issues, anti-social
behaviour, parking issues etc.

A petition is being put together and
my neighbours will be in contact with you,
however I am going into hospital today
to have tonsils and won't be available to
assist in this process. I did however
want you to make you aware that I
very strongly object to this venue being

on to 12 midnight Sunday to Thursday
and 2am on Friday and Saturday
night. My partner works weekends
and has to get up at 5am and we
have had to deal with people
weeing in our doorway, shanting
down the street and fighting. This
will be made worse by people having
somewhere warm to congregate!

The Police are already stretched in
dealing with these issues in the area
and these premises are in the middle
of a residential street!! I hope that
upon receiving everyone's objections, this
application will be refused.
Yours faithfully
