**Further Items for which dates are to be confirmed:**

Ref.	Report Title	Report Description	Comment
	Given the recent resolution to withdraw the joint Core Strategy and the likely consequential changes to the plan-making arrangements, further consideration will need to be given to the timetable for future plan-making within Central Bedfordshire. Development Strategy Task Force input is likely to be required in the early stages of production of a new "Development Strategy" for Central Bedfordshire as well as a Community Infrastructure Levy and possible documents on the detailed allocation of sites. Further details on timetable will be provided shortly
