CORPORATE IMPLICATIONS

Council Priorities:

A sound system of corporate governance provides the framework and assurance within which the Council can deliver its priorities with confidence. The opening paragraph of the draft Code of Corporate Governance (Appendix A) describes corporate governance as the means by which the Council ensures that it is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

Financial:

The Annual Governance Statement will be included in the Council's Statement of Accounts for 2011/12, but this report has no financial implications.

Legal:

The Accounts and Audit Regulations 2003 require the Council to conduct an annual review of its systems of internal control. The preparation of an Annual Governance Statement forms part of that process.

Risk Management:

The Annual Governance Statement identifies significant governance issues and these have been identified by reference to the Council's Corporate Risk Register.

RECOMMENDATION:

- 1. that the Audit Committee considers and comments on the draft Annual Governance Statement.**

Background

1. The Audit Committee's terms of reference include responsibility for overseeing the production of the Council's Annual Governance Statement. Ultimately, the Annual Governance Statement is signed by the Leader and Chief Executive.

Annual Governance Statement for 2011/12

3. The Annual Governance Statement (AGS) adopts the same format as last year.
4. The Annual Governance Statement is intended to demonstrate how the Council has achieved the principles contained in the Code of Corporate Governance in the current financial year.
5. The draft AGS has been considered by CMT who have suggested that the document should be more succinct and focused by referencing other key documents, including the Corporate Risk Register. The draft AGS has been revised to take account of this approach but further work is required to ensure that the AGS reflects significant governance issues as identified in the Corporate Risk Register.
6. The Audit Committee is asked to consider whether the draft AGS accurately reflects the governance arrangements and the management of risk.

Conclusion and Next Steps

7. At this stage, the AGS remains a draft document. It will be subject to further review and amendment in the light of any comments made by the Audit Committee before it is submitted to the Leader and Chief Executive for formal adoption.
