Commissioning Group

Appendix **B**

Consultation on the Draft Health and Wellbeing Strategy for Central Bedfordshire

Central Bedfordshire Council and the NHS Bedfordshire Clinical Commissioning Group are consulting on a draft Health and Wellbeing Strategy for Central Bedfordshire.

The Strategy sets out the vision and priorities for improving health and well being and reducing health inequalities across the area. We would like to hear your views.

Please read the Draft strategy document and then have your say by completing this questionnaire by 29 October 2012 and return it to the address printed at the end of this form.

Alternatively you can complete this questionnaire online at www.centralbedfordshire.gov.uk/consultations

Q1 Are you: (Please tick one)

- Someone who currently receives an ongoing service from social care, health or housing (please specify)
- Central Bedfordshire Resident
- Health care professional/ organisation (please specify)
- Social care professional/ organisation (please specify)
- Other public sector organisation (please specify)
- Community/Voluntary group or organisation (please specify)
- Other (please specify)

Please specify other

Q2 How far do you agree or disagree with the following vision health and well being in Central Bedfordshire? (Please tick one)

A place where everyone can enjoy a healthy, safe and fulfilling life and is recognised for its outstanding and sustainable quality of life.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q3 Do you have any comments or suggestions about the vision?

Three areas of cross cutting priorities have been identified where the Health and Wellbeing board would like to see progress made fastest. Please give us your views on these priority areas in the following questions.

Cross cutting priority: Improved outcomes for vulnerable people

Please indicate how far you agree or disagree with the following priorities for improving outcomes for the vulnerable. Please tick one box for each priority

Q4 Priority 1: Improving the health of looked after children

Ensuring all Looked After Children have prompt access to services which promote good outcomes during the early years of life and onwards. (Please tick one)

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q5 Priority 2: Safeguarding and Patient Safety

Ensuring people using health and social care services receive high quality care, are treated with dignity and respect and their care needs are met.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q6 Do you have any comments about these priorities or do you think we have missed anything?

Cross cutting priority: Early intervention and prevention

Please indicate how far you agree or disagree with the following priorities for early intervention and prevention. Please tick one box for each priority

Q7 Priority 3: Reducing childhood obesity

Preventing and reducing childhood obesity will increase healthy life expectancy and reduce health inequalities.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q8 Priority 4: Reducing teenage pregnancy

Reducing teenage pregnancies will limit the negative outcomes experienced by teenage parents and their children such as poverty, poor health, social and economic risks, and inter-generational deprivation.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q9 Priority 5: Improving outcomes for frail older people

Improving outcomes for this group will enable them to maintain or regain their independence.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q10 Priority 6: Promoting independence and choice

Supporting people to live independent lives and encouraging greater choice and control is fundamental. Vulnerable people should be able to have greater choice of personalised services which promote and sustain independent living.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q11 Priority 7: Helping people make healthy lifestyle choices

Adopting healthy lifestyles to prevent or delay ill health.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q12 Do you have any comments about these priorities or do you think we have missed anything?

Cross Cutting Priority: Improved mental health and wellbeing

Please indicate how far you agree or disagree with the following priorities for early intervention and prevention. Please tick one box for each priority.

Q13 Priority 8: Improving mental health for children and their parents

To ensure prompt and timely support for children and young people with emerging mental health problems, and for new mothers

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q14 Priority 9: Improving mental health and wellbeing of adults

Reducing the impact of mental health problems on the wider physical and social aspects of health and wellbeing for individuals.

Strongly agree

Agree

Neither agree or disagree

Disagree

Strongly disagree

Q15 Do you have any comments about these priorities or do you think we have missed anything?

Q16 Do you have any other comments about the Draft Health and Wellbeing Strategy for Central Bedfordshire?

About you
