

Corporate Parenting Panel

The Role and Remit of the Corporate Parenting Panel

Edwina Grant

Deputy Chief Executive / Director of Children's Services

5 November 2011

Progress to date since 1 April 2009

- ✓ Consistent commitment to the Panel
- ✓ Regular Member attendance at meetings
- ✓ Meets according to the regulatory framework
- ✓ Training provided for Members

Challenges

- ? Do we involve young people and foster carers appropriately? Are our meetings too formal? Should we recruit more officers and foster carers? If so, can we use them effectively?
- ? Are we taking a “Whole Life” and “Whole Council” approach?
- ? Are we testing our practice against elsewhere? Lambeth is judged as having good arrangements – should we go and look?
- ? Are we focussed on the core role or duplicating practice elsewhere?

Proposed Actions

- Take views today
- Small working group to look at practice elsewhere
- Feedback at February meeting
- Changes incorporated May 2013 and onwards
