Explanatory introduction to the proposed further modifications to the Minerals and Waste Local Plan: Strategic Sites and Policies

The summary table sets out a summary of all the modifications proposed to the Plan. Only those Policies discussed at the Hearings are reproduced in full in this table.

For further detail for all other matters it is necessary to refer to the supporting tables:

- Table 1. Proposed modifications to policy and supporting text
- Table 2. Other modifications
- Table 3. Modifications to Nomenclature

Additionally there are appendices:

- Appendix A: Sustainable Development and Overarching Strategic Policy (referred to the summary table, and Tables 1 and 2)
- Appendix B: Monitoring of Minerals and Waste Strategic Policies (referred to in Table 2)
- Appendix C: Changes to Minerals Monitoring Table to include Implementation Parties (referred to in Table 2).

Consultees will be asked to refer to the modification numbers set out in Tables 1 – 3, and summarised in the summary table.
