We the residents of Howard Court wish to bring to your attention our deep concern over the difficulties we are experiencing with regard to the parking arrangements on the road.

Despite a notice clearly displayed 'Residents Only, Private Parking', this is disregarded by non-residents many of whom park for considerable lengths of time.

If there were some deterrent in place, non-residents would be in breach of them by ignoring parking restrictions. There would then be sufficient space for the residents of Howard Court, who have cars, five of whom are Blue Badge Holders.

There are occasions also when emergency vehicles have difficulty accessing the Court.

Presently the road is under the control of the Council. We understand that Housing 21 is willing to re-adopt the road, as we also maintain the grass and flowers. Therefore we would appreciate your help in solving this long-standing problem.

As residents we pay gardeners to maintain this area. In many years a road sweeper has appeared 3 times.

Residents are requested to park only one car ^{per household} on Dunstable Rd park 2 cars. The road at Howard Ct has become a regular parking area for people living on Dunstable Rd, thus removing parking spaces for Howard Ct. residents
