

# PERMISSIVE ACCESS

The short section of permissive footpath connects two exiting public rights of way, providing a longer walk. This area also provides an extended length of bridleway which can also be used to link up with the Public Right of Way; Greensand Ridge Walk. The surrounding farmland is being managed for the benefit of wildlife, via the creation of grassy strips and management of the surrounding hedgerows and ditches.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2019.
