\*A Christian Church is defined as one which is a member, or is eligible for membership, of Churches Together in England or the Evangelical Alliance. Applications in this category will need to ask their priest or minister to complete the relevant section of the local authority common application form.

### **Notes:**

Pupils who have a Statement of Special Educational Needs are required to be admitted to the school which is named on the statement, even if the school is full.

Pupils identified for admission through the Fair Access Protocol will also be admitted even if the school is full.

The admissions criteria will be applied separately and sequentially until all places are filled. Priority is not given within each criterion to children who meet other criteria. The distance criterion will be used as a tiebreaker in each criterion where required to determine the allocation of places. In the event of (a) two or more children living at the same address point (e.g. children resident in a block of flats) or (b) two addresses measuring the same distance from the school, the ultimate tie-breaker will be random selection, using the Tribal Admissions database to allocate the place.

### **Definitions:**

#### **'Looked after' children**

A 'looked after' child is a child in the care of a local authority as defined by Section 22 of the Children Act 1989. In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to a school.

#### **Previously 'looked after' children**

A previously 'looked after' child is a child who was 'looked after', but ceased to be so because they were adopted or became subject to a residence order or a special guardianship order.

#### **Catchment area**

A catchment area is a geographical area from which children are given priority for admission to the particular school. Please see [www.centralbedfordshire.gov.uk/admissions](http://www.centralbedfordshire.gov.uk/admissions) for more information on school catchment areas.

#### **Sibling**

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent / carer's partner, and in every case, the child should be living at the same address. The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission.

#### **Children who live nearest to the school determined by straight line distance from the school site to the pupil's home address**

The distance the pupil lives from the school which is measured in a straight line, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. The Local Authority will measure the distance from the address point of the pupil's home to a point on the school site agreed with the governing body of the school.
