

## Notes to Applicant

1. This permission relates only to that required under the Town & Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
2. The rate of Council Tax you pay depends on which valuation band your home is placed in. This is determined by the market value of your home as at 1 April 1991. Your property's Council Tax band may change if the property is extended. The Council Tax band will only change when a relevant transaction takes place. For example, if you sell your property after extending it, the new owner may have to pay a higher band of Council Tax.

If however you add an annexe to your property, the Valuation Office Agency may decide that the annexe should be banded separately for Council Tax. If this happens, you will have to start paying Council Tax for the annexe as soon as it is completed. If the annexe is occupied by a relative of the residents of the main dwelling, it may qualify for a Council Tax discount or exemption. Contact the Council for advice on **0300 300 8306**.

3. The applicant is advised that photographs of the existing highway that is to be used for access and delivery of materials will be required by the Local Highway Authority. Any subsequent damage to the public highway resulting from the works as shown by the photographs, including damage caused by delivery vehicles to the works, will be made good to the satisfaction of the Local Highway Authority and at the expense of the applicant. Attention is drawn to Section 59 of the Highways Act 1980 in this respect.
4. The applicant is advised that the storage of materials associated with this development should take place within the site and not extend into within the public highway without authorisation from the highway authority. If necessary further details can be obtained from Bedfordshire Highways (Amey), District Manager (for the relevant area) via the Central Bedfordshire Council's Customer Contact Centre on 0300 300 8049.
5. The contractor and / or client are to ensure that any building material debris such as sand, cement or concrete that is left on the public highway, or any mud arising from construction vehicular movement, shall be removed immediately and in the case of concrete, cement, mud or mortar not allowed to dry on the highway

### **Statement required by the Town and Country Planning (Development Management Procedure) (England) Order 2015 - Part 5, Article 35**

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted pro-actively to secure a sustainable form of development in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
