Day Care at Greenacre

Consultation Update 25th November 2015

What we have done so far

Following the approval by the Council's Executive Committee on 6th October 2015 to consult on the future of Day Care at Greenacre the consultation papers were sent out to customers, relatives and other interested parties. Since then the consultation team have been busy talking to customers, relatives and staff about the consultation and encouraging them to complete the consultation questionnaire. A list of the questions we were often asked at those meetings along with their answers can be found on the next page.

Many relatives and customers have now spoken to or met Claire Blankenship, the social worker in the consultation team who has spent a lot of time in the home helping residents to contribute to the consultation.

Who we have consulted with

Along with the customers, relatives and staff, we have consulted with the organisations listed below that all have a role in relation to Greenacre and its residents and relatives.

Local GP's who have patients who attend the day care centre at Greenacre.

East London NHS Foundation Trust (ELFT) – part of the NHS that provides services to people with mental health needs including people with dementia.

Healthwatch – the national consumer champion in health and care. Healthwatch have significant statutory powers to ensure the voice of the consumer is strengthened and heard by those who commission, deliver and regulate health and care services.

Dunstable Town Council and **Houghton Regis Town Council** – Greenacre predominantly has customers from these two areas.

Carers in Bedfordshire – a registered charity existing to help family carers and former carers cope with the mental and physical stress arising from their role. They offer assistance such as practical help, advice, training, advocacy, support and information.

Age UK Bedfordshire – a local charity based in Bedford and operating through the whole of Bedfordshire and Luton for the benefit of all older people in the County.

Alzheimer's Bedfordshire – a charitable organisation providing information, support and services to people living with all types of dementia, their carers, family members, health professionals, and anyone else with concerns about their memory or that of someone else.

PoHWER – a charity and membership organisation that provide information, advice, support and advocacy to people who experience disability, vulnerability, distress and social exclusion.

Frequently Asked Questions

Below are some of the questions that we have been asked so far during the consultation by residents and their relatives.

How can I arrange a visit to view Houghton Regis Day Centre?

If you are interested in visiting Houghton Regis Day Centre you can contact the Manager Lorraine Bugler on 0300 300 8179 directly to arrange a visit. If you need help or advice on this please contact Mel in the first instance – see details at the end of the document.

Will the attendance days and times change?

If one of the options to move the day centre activities to Houghton Regis Day Centre is chosen then as part of the transfer process we would look to see if there was any benefit to adjusting the day(s) on which people attend. However we would try very hard to minimise the disruption to people attending the centre. If we were considering changes to the day(s) people attend then we would discuss this on an individual basis with customers and their relatives, if appropriate.

Would the staff move to Houghton Regis Day Centre with us?

Yes, if one of the options to move the day centre activities to Houghton Regis Day Centre was chosen then we are proposing that the staff who currently work in the day

centre at Greenacre would transfer to Houghton Regis along with the customers.

Could the buses at Houghton Regis Day Centre be used during the day for trips out?

This doesn't happen at present, however the centre does hold various events within the centre such as 'seaside day' by bringing in fish and chips and a race event 'Day at Houghton Races'.

Could the Greenacre transport be merged with Houghton Regis Day Centre's to reduce journey times?

Yes, if one of the options to move the day centre activities to Houghton Regis Day Centre was chosen then this is a possibility.

What is the staff/customer ratio at Houghton Regis Day Centre?

Staffing ratios are based on the needs of the customers attending the centre. There are 13 staff in the centre each day 8 of whom are care assistants. The average number of people attending each day is about 35.

Appendix 9

What is the ratio of dementia, learning disability and frail and elderly in Houghton Regis Day Centre?

The figures below are based on current customers attending per week.

- i. People in the early stages of dementia 10%
- ii. People with dementia who have significant care needs 32%
- iii. Adults under 65 with a learning disability 5%
- iv. Adults under 65 with a physical disability 19%
- v. Older people with care or social needs 33%

If the day centre at Greenacre were to move to our own allocated room at Houghton Regis Day Centre would there be a separate entrance?

If this option is chosen then a separate entrance can be made available for those who may be anxious about using the main one. However currently we would prefer customers to use the same entrance to increase social interaction and avoid a sense of groups being segregated.

Can our furniture and memorabilia be moved to Houghton Regis Day Centre?

Yes, any furniture or memorabilia could be moved to Houghton Regis Day Centre to provide as much familiarity of surroundings for the customers.

What happens now?

Claire is continuing to meet with day centre customers. She is undertaking assessments to ensure that all customers have their say in the consultation if at all possible and is encouraging relatives to be involved.

Alongside Claire, the other members of the consultation team will also continue to be available at Greenacre on a regular basis to answer any questions you have.

If you haven't completed the consultation questionnaire we would encourage you to do so. You can do this by filling in the questionnaire by hand and posting it to us at the address below or by leaving it with management at Greenacre. Alternatively the questionnaire can be filled in online at www.centralbedfordshire.gov.uk/consultations. If you need copies of the consultation documents or the questionnaire you can get them from the website. There are also copies in the home. If you want to be sent any of the documents please contact Mel Alderton on the numbers below.

The closing date for consultation responses is 13th January 2016. All responses will be reviewed and included in a consultation report which will be shared with customers, relatives and staff before being published on the Council's website. The consultation report will accompany a report on the future of Greenacre which will be considered by the Social Care Health and Housing Overview and Scrutiny Committee on 25th January 2016 and at a meeting of the Executive on 9th February 2016.
