**Subject:** Stockwelll Farm Eggington Festival TEN

Hi Licensing,

Further to this application for a TEN, I object to this on prevention of public nuisance (noise) and public safety grounds. There is insufficient information on which to assess the merits of the proposals and as such I have to object.

Aside from this, the applicant has neglected to check the regulated entertainment box on the application form and as such I have emailed the applicant for further information. I have also advised that they should contact the SAG group with a view to presenting their proposals at a meeting.

If you have any queries then please feel free to contact me.

Regards
