It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the second police force and local authority exercising environmental health functions.

By submitting this form I understand that it is an offence:

1. to knowingly or recklessly make a false statement in connection with this temporary event notice and that a person is liable on conviction for such an offence to a fine up to level 5 on the standard scale; and
2. to permit an unauthorised licensable activity to be carried on at any place and that a person is liable on conviction for any such offence to a fine not exceeding £20,000, or to imprisonment for a term not exceeding six months, or to both.

It is a condition of this temporary event notice that where the relevant licensable activities described in Section 3 above include the supply of alcohol that all such supplies are made by or under the authority of the premises user.
