**Purpose of this report**

The report provides Members with details of the currently drafted Committee work programme and the latest Executive Forward Plan.

**RECOMMENDATIONS**

The Committee is asked to:

1. Consider and approve the work programme attached, subject to any further amendments it may wish to make;
2. Consider the Executive Forward Plan; and
3. Consider whether it wishes to suggest any further items for the work programme and/or establish any enquiries to assist it in reviewing specific items.

**Overview and Scrutiny Work Programme**

1. Throughout June and July 2016 residents were encouraged to propose items to be considered by the Council's overview and scrutiny committees.
2. In addition a workshop took place in June 2016 at which Members and partners were invited to propose additional items and to indicate the priorities that they would like to consider throughout 2016/17.
3. Throughout this process Members have been encouraged to adopt several key principles relating to ways of working that were previously agreed by the Overview and Scrutiny Co-ordination Panel, namely:-
  - Minimising duplication
  - Focusing on requested items
  - Focusing on outcomes and the 5-year plan
4. A long-list of items has been proposed, many of which have been included in the work programme of the relevant overview and scrutiny

committee and can be seen at the **Appendix**. There are several items that were proposed as part of this process that have not yet been included in the work programme as they are subject to further scoping.

5. This work programme aims to provide a balance of those items on which the Executive would be grateful for a steer in addition to those items that the Overview and Scrutiny Committee (OSC) has proactively requested to receive.
6. The Committee is requested to consider the work programme and the indicated outcomes and to amend or add to it as necessary.

### **Overview and Scrutiny Task Forces**

7. In addition to consideration of the work programme, Members may also wish to consider how each item will be reviewed, i.e. by the Committee itself (over one or a number of Committee meetings) or by establishing a Member Task Force to review an item in greater depth and report back its findings.

### **Executive Forward Plan**

Listed below are those items relating specifically to this Committee's terms of reference contained in the latest version of the Executive Forward Plan that are not presently included in the Committee's work programme. ## **Conclusion and next Steps**

10. Members are requested to consider and agree the attached work programme, subject to any further amendment/additions they may wish to make and highlight those items within it where they may wish to establish a Task Force to assist the Committee in its work.
