<b><i>Which of the four licensing objectives does your representation relate to?</i></b>	<b><i>Yes Or No</i></b>	<b><i>Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary</i></b>
<b>To prevent crime and disorder</b>	No	
<b>Public Safety</b>	Yes	<p>I wish to object to this application with reference to this Licensing Objective as it seems inevitable - given the modest interior space, lack of alternative smoking areas and the Pollution Team's experience of similarly problematic locations - that drinking customers and other members of the public would tend to congregate on the relatively narrow pavement adjacent to the public highway fronting the premises, thereby substantially raising the risk of hazardous obstructions to pedestrians and road users.</p> <p>Controlling or significantly mitigating the above risks by means of Condition or adopted Management Practice does not appear to be sufficiently realistic an option to consider for this proposal in this location.</p>

**Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub-Committee to take into account. Please use separate sheets where necessary and refer to checklist**

As described above, and having given the matter due consideration, controlling or significantly mitigating the identified risks presented by this application to the Licensing Objectives by means of Conditions does not appear to be sufficiently realistic an option to consider for this proposal in this location.
