

Central Bedfordshire Children and Young People's Plan 2018-2021

Our Vision

Every child in Central Bedfordshire to enjoy their childhood and have the best possible start in life. We want every child to have high aspirations, reach their potential, make friends and build strong relationships with their family. As young adults, we want every young person to have the knowledge, skills and qualifications that will give them the best chance of success, so that they are prepared to take their full place in society as a healthy, happy, contributing and confident citizen.

- Our Priorities**
- Identifying needs early and preventing needs from escalating - offering the right support at the right time
 - Protecting vulnerable children and young people – including tackling bullying
 - Building strong families – e.g. tackling circumstances where children and young people are living with domestic abuse
 - Supporting children and young people in their aspirations and goals in preparing for adulthood

- Our Obsessions**
- Reducing the number of children and young people exposed to domestic abuse incidents
 - Improving emotional health, wellbeing and resilience
 - Improving educational outcomes across every key stage, helping young people to become work ready

How?

Outcomes for Children and Young People

- Protected and safe
- Achieving good learning outcomes and the best life skills
- Living happy, healthy lifestyles

Has it made a difference?

Domestic abuse

- Repeat domestic abuse incidents where a child is present
- Number of children in relation to MARAC referrals
- Repeat offenders

Emotional health, wellbeing and resilience

- Emotional health and wellbeing survey results
- Number of children seen as part of the Tier 1 /2 Emotional Health and Wellbeing Support Pathway
- Time from referral in days/weeks to initial CAMHS Assessment
- Time from initial CAMHS Assessment until first/next appointment
- Emotional and behavioural health of children in care – average SDQ score

Improving educational outcomes
Diminishing the Difference:

- Attainment of pupils eligible for Free School Meals (at every key stage)
- Closing the gap between pupils eligible for Free School Meals and all other pupils

and:

- Apprenticeship participation: 16-17 year olds in an apprenticeship
- Young people aged 16-17 who are in education, employment or training (EET)

Detailed performance frameworks within Central Bedfordshire's strategic governance arrangements will also support delivery of the Plan e.g. **Central Bedfordshire Safeguarding Children Board (CBSCB) Performance Framework.** CBSCB is lead statutory partnership for coordinating the work done by various agencies to safeguard children and promote their welfare – and ensuring this work is carried out effectively. CBSCB monitors a framework of measures to support improvements associated with keeping children safe*

*Central Bedfordshire Safeguarding Children Board has 4 key themes for 2017- 19 Domestic Abuse, Child Sexual Exploitation, Neglect, Children's Mental Health

Central Bedfordshire - Our Area:

More information can be found in our Joint Strategic Needs Assessment:

www.jsna.centralbedfordshire.gov.uk

Just over half of Central Bedfordshire's population live in rural areas

In 2015 274,000 people lived in Central Bedfordshire. This included 53,300 children aged 0-15

There are 132 schools

94% of children in Central Bedfordshire speak English as a first language – with around 100 different first languages spoken among the remaining children.

How we work (and all join up):

Lots of people and organisations work towards improving outcomes for children and young people in Central Bedfordshire e.g. health, schools, Police, Children's Services and voluntary sector organisations

Together we have been rethinking how services can better meet **local needs** through a multi agency locality model - integrating what we currently do into locality teams

We put families at the heart of everything we do
We focus on building good, quality relationships with children and parents – creating stronger families

We always try to think about what it must be like - putting ourselves in the children's and families' shoes

We are developing a '**one family, one worker, one plan**' approach – with a main contact (named professional) for families to provide or co-ordinate most of their support

Our **school cluster networks** ensure we can support schools in improving outcomes for our children

Our Access and Referral Hub is the **single front door** and contact point for anyone needing information about services for children and young people – including worries about a child or young person

Tel: **0300 300 8585**

We **listen** to children, young people and families
Voices are heard and help us improve services

The **Children and Young People's Board** is one of the ways children and young people can influence our plans

Our **Youth Offer** sets out the range of activities, opportunities and support that young people in Central Bedfordshire should receive

We plan budgets and spend public money in line with agreed needs and priorities

...always focussed on ensuring:

Central Bedfordshire's children are happy, healthy and safe

Our Children and Young People's Plan is supported by other plans which provide more detail on key areas e.g.

Central Bedfordshire Safeguarding Children Board (CBSCB) Business Plan, SEND Vision, Partnership Vision for Education, School Organisation Plan, All Age Skills Strategy, Health and Wellbeing Strategy, Housing Strategy, Director of Public Health Report.
