

Central Bedfordshire Council

Corporate Resources Overview and Scrutiny Committee
31 January 2019

Treasury Management Strategy And Treasury Policy

Report of Cllr Richard Wenham, Deputy Leader and Executive Member
for Corporate Resources (cllr.richard.wenham@centralbedfordshire.gov.uk)

Advising Officers: Charles Warboys, Director of Resources & S151 Officer
(charles.warboys@centralbedfordshire.gov.uk)

This report relates to a decision that is Non-Key

Purpose of this report

1. To allow Corporate Resources Overview & Scrutiny Committee to consider this draft Treasury Management Policy, Treasury Management Strategy Statement, Prudential Indicators and Minimum Revenue Provision Policy report for 2019/20.

RECOMMENDATIONS

The Committee is asked to:-

consider the Council's Treasury Management Policy, Treasury Management Strategy Statement, Prudential Indicators and Minimum Revenue Provision Policy for 2019/20; and

submit its comments, observations and recommendations in respect of the Executive's proposals to the meeting of the Executive on 5 February 2019.

Background

2. To facilitate effective financial management and planning, this report outlines the Treasury Management Policy, Treasury Management Strategy Statement, Prudential Indicators and Minimum Revenue Provision Policy for 2019/20. Central Bedfordshire Council agrees its Treasury Management Strategy Statement, Prudential Indicators and Minimum Revenue Provision Policy annually and, as a minimum, every three years, the Treasury Management Policy. This is in line with the Chartered Institute of Public Finance and Accountancy's (CIPFA) Treasury Management in the Public Services: Code of Practice (2017 Edition) and the CIPFA Prudential Code for Capital Finance in Local Authorities (2017 Edition).

3. The Council's Treasury Management Strategy Statement (TMSS) is underpinned by the adoption of CIPFA's Code of Practice, which includes the requirement for determining a treasury strategy covering the likely financing and investment activity for the forthcoming financial year.
4. The Council's Treasury Management Policy (TMP) is attached at Appendix A; this was revised in February 2018 and is subject to review every three years. No changes are proposed to the TMP. A revised Treasury Management Strategy Statement (TMSS) is attached at Appendix B with updated Prudential Indicators (PIs) at Appendix C and the Minimum Revenue Provision (MRP) Policy at Appendix D.
5. The Code requires the TMP, TMSS, PIs and MRP Policy for the year to be approved by Council, and these will be submitted for approval on 21st February 2019. Local arrangements require the Corporate Resources Overview & Scrutiny Committee to scrutinise the proposed revised strategy on an annual basis. Both the Policies and the Strategy documents are presented to the Executive for recommendation to Council.

Appendices

Appendix 1 – Treasury Management Strategy and Treasury Policy Executive Report

Appendix A – Treasury Management Policy

Appendix B – Treasury Management Strategy Statement

Appendix C – Prudential Indicators

Appendix D – Minimum Revenue Provision Policy

9.

15. Explanations of the Prudential Indicators are included in Appendix C. Key objectives of the indicators are to:
- ensure borrowing is less than the Council's Capital Financing Requirement (CFR), demonstrating that all long term borrowing has been undertaken for capital purposes in line with the Prudential Code;
 - set the Council's authorised and operational limits for borrowing; and
 - show the percentage of the revenue budget required to be spent on financing borrowing.
16. In line with the best practice requirements outlined in the CIPFA Treasury Management Code of Practice, all PIs are monitored throughout the year and reported to Council at mid-year and at the end of the financial year.

Minimum Revenue Provision Policy

17. Appendix D includes a statement of the Council's Minimum Revenue Provision (MRP) Policy which is how the Council calculates the annual amount set aside towards repaying any borrowing used in the past to finance capital expenditure. The Local Government Act 2003 requires the Council to have regard to the Department for Communities and Local Government's Guidance on Minimum Revenue Provision (the CLG Guidance), most recently issued in 2012.
18. Whilst no changes have been made to the Council's existing MRP policy, it is understood that the CLG will be revising its Guidance on MRP after having consulted with local authorities and the proposed changes, expected to be implemented in full for the 2018/19 financial year, are outlined at Appendix D.

Council Priorities

19. The effective management of the combined activities of debt and investments and the associated risks contribute to the Council's financial resources and is a cornerstone to the delivery of the Council's priorities.

Corporate Implications

Legal Implications

20. The Council's treasury management activities are regulated by statute, professional codes and official guidance. The Local Government Act 2003 (the Act) provides the powers to borrow and invest as well as providing controls and limits. Under the Act, Communities and Local Government has issued Guidance on Local Government Investments (revised March 2010) to structure and regulate the Council's investment activities. The Local Authorities (Capital Finance and Accounting) (England) Regulations 2003 – Statutory Instrument (SI) 3146 (plus subsequent amendments), develops the controls and powers within the Act. The SI requires the Council to undertake any borrowing activity with regard to the CIPFA *Prudential Code for Capital Finance in Local Authorities (2011 Edition)*. The SI also requires the Council to operate the overall treasury function with regard to the CIPFA *Treasury Management in the Public Services: Code of Practice (2011 Edition)* (the Code of Practice).

Financial Implications

21. The Council's Treasury Management Strategy Statement (TMSS) and Prudential Indicators (PIs) are derived from the Medium Term Financial Plan (MTFP). The TMSS and PIs are explained within the appendices to this report.
22. Treasury management is defined by the Chartered Institute of Public Finance and Accountancy's (CIPFA) *Treasury Management in the Public Services: Code of Practice (2011 Edition)* as: 'The management of the local authority's investments and cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks.'

Equalities Implications

23. There are no equalities implications to this report.

Conclusions

24. Overall responsibility for treasury management remains with the Council.
25. This report provides Members with a Treasury Management Policy, Treasury Management Strategy Statement, Prudential Indicators and Minimum Revenue Provision Policy to facilitate effective financial management and planning of Council resources.
26. **Background Papers:**
None.
